## OZ9 Combat Standard Pistol

Built with ZEV's windowless Citadel slide, PRO match barrel, and PRO Curved Face Trigger, the O.Z-9 Combat is tailored to meet the stringent requirements of the discerning professional user. Available in three configurations, Standard, Compact, and the X Compact. The X Compact combines the compact O.Z-9C receiver and a full size X grip to create a pistol that is easier to control and handle than the O.Z-9C Compact without added weight or length. The O.Z-9 was designed and created for balance. It's one of the first things you notice when holding this pistol. Balance equates to what every shooter is looking for; a more controllable pistol with less felt recoil, less muzzle flip and faster, more accurate follow-up shots. At the heart of the O.Z-9 is our patented Steel Receiver. This solid steel frame runs the length of the entire pistol allowing the locking block to be fully integrated. The extended rails in the steel receiver help provide more than double the surface area of contact to the slide.

Additional benefits include channels that clear out debris while also acting as lubricating reservoirs for high friction areas. Having a singular component for the slide to travel along minimizes vibration and recoil energy by dispersing it along the receiver through the custom grip. A single take-down pin conveniently located at the front of the trigger guard locks the removable grip to the steel receiver. By design, the trigger is housed in the steel receiver allowing for future grip upgrades without completely breaking down the pistol. Our improved grips have steeper angles, and forward hand position keeping the muzzle down, and pointing straighter. Additional grip sizes and colors, along with multiple sized magwells, are available to facilitate further customization to best fit your requirements. The O.Z-9 is compatible with ZEV components and Glock pattern magazines.

### Included items:

- ZEV Citadel Slide
- ZEV PRO Barrel
- ZEV PRO Curved Face Trigger
- 1 Magpul 10 round magazine

### Attributes

- Name: [OZ9 Combat Standard Pistol Optic Ready Black Gray](#)

# Safety Instruction Guide for OZ9 Combat Standard Pistol Optic Ready Black Gray

## Introduction

Thank you for choosing the OZ9 Combat Standard Pistol. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your firearm. Please read this document carefully to understand the safety precautions and operational instructions associated with your pistol.

## General Safety Guidelines

- **Product Safety:** Always handle the pistol as if it is loaded. Ensure safe use by following all handling and storage instructions.
- **Enhanced Recalls:** Stay informed about any recall notices related to your firearm. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards and regulations.
- **Special Consumer Focus:** Keep firearms out of reach of children and unauthorized users. Use safety locks and secure storage.
- **EU Contact Point:** For any safety inquiries, refer to the contact information included with your product documentation.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Always treat the firearm as if it is loaded.** Never point it at anything you do not intend to shoot.
- **Keep your finger off the trigger** until you are ready to fire.
- **Use appropriate eye and ear protection** when shooting.
- **Ensure the pistol is pointed in a safe direction** at all times.
- **Do not use the pistol under the influence of drugs or alcohol.**
- **Store the firearm securely** when not in use, using a safe or lockable storage.
- **Regularly inspect the firearm** for any signs of wear or damage before use.
- **Do not modify the firearm** in any way that might affect its safety or performance.

## Instructions for Installation and Usage

### Installation

1. **Inspect the Pistol:** Before installation, ensure that the pistol is unloaded. Remove the magazine and check the chamber.
2. **Mounting Optics:** If adding optics, follow the manufacturer's instructions for mounting. Ensure that all screws are tightened securely.
3. **Grip Customization:** If you are changing the grip or magwell, refer to the instructions provided with the components. Ensure that all parts are properly fitted and secured.

### Usage

- **Loading the Pistol:**
  1. Ensure the pistol is pointed in a safe direction.
  2. Insert the magazine into the magazine well until it clicks into place.
  3. Pull the slide back to chamber a round.

- **Firing the Pistol:**

1. Align your sights with the target.
2. Place your finger on the trigger only when ready to shoot.
3. Squeeze the trigger gently to fire.

- **Unloading the Pistol:**

1. Point the pistol in a safe direction.
2. Remove the magazine.
3. Pull the slide back to eject any chambered round.

- **Cleaning and Maintenance:**

- Regularly clean the pistol according to the manufacturer's instructions.
- Use appropriate cleaning supplies and ensure that all components are dry before reassembly.

## **Disposal Instructions**

When disposing of the OZ9 Combat Standard Pistol, follow local laws and regulations regarding firearm disposal.

- **Do not dispose of the firearm in regular waste.**
- **Contact local authorities or licensed dealers** for safe disposal options.
- **Ensure that all ammunition is properly disposed of**, following local guidelines.

## **Contact Information for Further Support**

For questions or concerns regarding your OZ9 Combat Standard Pistol, please refer to the product documentation or contact your local authorized dealer or service center for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your OZ9 Combat Standard Pistol. Always prioritize safety and responsibility in all firearm-related activities.
