Safety Instruction Guide for Volthane Target Grips for Ruger MK IV

Introduction

Thank you for choosing Volthane Target Grips for your Ruger MK IV. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new grips. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Use the grips only with the specified Ruger MK IV model. They are not compatible with 22/45 style frames.
- Keep the grips away from children and unauthorized users.
- Regularly inspect the grips for any signs of wear or damage. Replace them if any issues are found.
- Follow the manufacturer's instructions for proper maintenance and cleaning of the grips.

Specific Safety Precautions for Use

- Ensure a proper fit: The grips are designed for righthanded users. If you are lefthanded, these grips may not provide optimal control.
- Be aware of the thumbrest, heelrest, and finger grooves. Familiarize yourself with their placement to enhance grip control.
- Avoid using the grips in extreme environmental conditions that may compromise their integrity.
- Do not modify or alter the grips in any way, as this may affect safety and performance.
- If your pistol has an extended magazine release (MK IV Hunter and Competition models), replace it with the standard magazine release before installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Ruger MK IV is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a screwdriver for mounting screws.

2. Installation:

- Remove the existing grips from your Ruger MK IV by unscrewing them.
- Align the Volthane Target Grips with the mounting holes on the pistol frame.
- Securely fasten the grips using the provided mounting screws. Ensure they are tight but do not overtighten, as this may damage the grips or the firearm.

3. Usage:

- Hold the firearm with both hands and ensure your grip is firm but comfortable.
- Practice handling the firearm in a safe environment to become accustomed to the new grips.
- Always follow standard firearm safety practices while using your Ruger MK IV.

Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations for plastic waste.
- Do not burn the grips, as they may release harmful substances when incinerated.

- If you are unsure about how to dispose of the grips, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Volthane Target Grips for Ruger MK IV, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product details and your purchase information ready when seeking support.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Volthane Target Grips for Ruger MK IV. Thank you for your attention to safety.
