# Oryx Buttpad Spacer Kit Safety Instructions

## Introduction

Thank you for choosing the Oryx Buttpad Spacer Kit designed for the Volquartsen 10/22. This product allows you to adjust the length of pull for your Oryx Chassis System, enhancing your shooting experience. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the product before use to ensure it is free from damage.
- Use the spacer kit only as intended and follow all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.
- Ensure that all components are correctly installed and secured before use.

## Specific Safety Precautions for Use

- Ensure that the spacers are compatible with the Oryx Chassis System and the Volquartsen 10/22 model.
- Do not exceed the maximum allowable length of pull as specified by the manufacturer.
- Avoid using the product in wet or damp conditions to prevent slipping or improper handling.
- Be aware of your surroundings and ensure that you are in a safe environment while using the product.
- If you experience any discomfort or issues while using the product, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver.
2. **Remove Existing Buttpad:** Carefully detach the existing buttpad from the Oryx Chassis System.
3. **Select Spacer:** Choose the spacer(s) you wish to install based on your desired length of pull. The spacers come in 0.25" increments.
4. **Attach Spacer:** Align the spacer with the mounting points on the chassis and secure it using the appropriate screws.
5. **Reattach Buttpad:** Once the spacer is securely in place, reattach the buttpad to the chassis, ensuring it is firmly fixed.
6. **Final Check:** Doublecheck that all components are securely fastened and that there are no loose parts.

### Usage Guidelines

- Adjust the length of pull to your preference before using the firearm.
- Ensure that the firearm is unloaded and pointed in a safe direction during adjustments.
- Regularly check the spacers and buttpad for wear or damage, and replace as necessary.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to the designated EU contact point for assistance.
