Competition Bolt Recoil Rod & Spring for 10/22 Safety Instruction Guide

Introduction

Thank you for choosing the Competition Bolt Recoil Rod & Spring for your Ruger 10/22. This product is designed to enhance the performance of your firearm. However, safe handling and usage are paramount. This guide provides essential safety instructions to ensure proper use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the entire instruction manual before using the product.
- Ensure that the product is installed correctly to avoid any malfunctions.
- Store the product in a safe place out of reach of children.
- Regularly inspect the recoil rod and spring for any signs of wear or damage.
- If you notice any irregularities, discontinue use and consult a professional.
- Be aware of your surroundings and follow all local laws regarding firearm usage and modifications.
- In case of an emergency or unsafe condition, contact local authorities immediately.

Specific Safety Precautions for Use

- Only use the Competition Bolt Recoil Rod & Spring with the Volquartsen Competition Bolt.
- Do not modify the recoil rod or spring in any way.
- Ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Keep fingers away from the trigger until ready to shoot.
- Use the product only as intended; misuse can lead to injury or damage.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other required equipment.

2. Installation Steps

- Remove the existing bolt from the firearm.
- Carefully remove the old recoil rod and spring assembly.
- Install the Competition Bolt Recoil Rod & Spring by:
 - Inserting the recoil rod into the appropriate slot.
 - Attaching the spring to the recoil rod.
 - Ensuring that all components are securely in place.

3. PostInstallation Check

- Doublecheck that the recoil rod and spring are properly installed and secure.
- Reassemble the firearm and conduct a function check to ensure everything operates smoothly.

4. Usage

- When using the firearm, ensure that you are in a safe environment and following all safety

protocols.

- Regularly check the recoil rod and spring during use for any signs of wear or malfunction.

Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Competition Bolt Recoil Rod & Spring, please refer to the product packaging for contact information.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your Competition Bolt Recoil Rod & Spring for the Ruger 10/22. Always prioritize safety and comply with local laws and regulations when handling firearms. Thank you for your attention to these important safety instructions.
