Bolt Release and Hammer Pack for Ruger 10/22, Black

This popular kit combines our 10/22 Target Hammer along with our 10/22 Auto Bolt Release into one package. A great way to start customizing your factory 10/22.

Please note our bolt release is only compatible with Volquartsen and Ruger factory bolts and trigger guards, including the BX-Trigger. It may not work correctly with other manufacturers' parts.

Safety Instruction Guide for Bolt Release and Hammer Pack for Ruger 10/22, Black

Introduction

Thank you for purchasing the Bolt Release and Hammer Pack for Ruger 10/22, Black. This product is designed to enhance your shooting experience by allowing for improved customization of your factory Ruger 10/22 rifle. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is used only with compatible Ruger factory bolts and trigger guards, including the BXTrigger.
- Always follow safety procedures when handling firearms and related accessories.
- Store the product in a secure location away from children and unauthorized users.
- Regularly check the product for wear and tear. Replace if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not attempt to install the product if you are not familiar with firearm components and modifications.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installation or modification.
- Keep hands and fingers clear of moving parts during installation.
- Be aware of your surroundings and ensure that the area is safe for shooting before use.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Workspace:** Ensure you have a clean and welllit area to work in. Gather all necessary tools.
2. **Unload the Firearm:** Make sure the Ruger 10/22 is completely unloaded. Check the chamber and magazine.
3. **Remove the Factory Parts:**
 - Use the appropriate tools to remove the factory bolt release and hammer.
 - Keep track of all screws and components.
4. **Install the New Parts:**
 - Carefully install the 10/22 Target Hammer into the designated space.
 - Install the 10/22 Auto Bolt Release, ensuring it fits securely.
5. **Secure the Components:** Tighten all screws and ensure everything is in place.
6. **Perform Function Check:** After installation, perform a function check to ensure that the bolt release operates smoothly.
7. **Clean Up:** Dispose of any packaging materials and ensure your workspace is tidy.

Usage Instructions

- After installation, familiarize yourself with the operation of the new bolt release and hammer.
- Always handle the firearm with care, keeping the muzzle pointed in a safe direction.
- Regularly inspect the bolt release and hammer for proper function and any signs of wear.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product needs to be disposed of, check with local waste management for guidelines on disposing of firearm parts and accessories.

Contact Information for Further Support

For any questions or concerns regarding the Bolt Release and Hammer Pack for Ruger 10/22, please reach out to your retailer or manufacturer for assistance. Always refer to the official resources for the most accurate and relevant information.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Bolt Release and Hammer Pack for Ruger 10/22. Thank you for your attention to safety and responsible firearm use.
