10/22 22 LR Carbon Fiber THM Tension Barrel with 1/2 x 28 Threads and Black Ends

The Lightweight THM Tension Barrel sets the standard for what a lightweight barrel should be. It features a sleeve that is used to create tension on the barrel itself. This unique design eliminates issues typically found in smaller barrel profiles. The THM tension barrel consists of a special taper honed match barrel and chamber. This is the ultimate lightweight barrel.

Attributes

- Name: [10/22 22 LR Carbon Fiber THM Tension Barrel w/ 1/2 x 28 Threads - Black Ends](#)

Safety Instruction Guide for the 10/22 22 LR Carbon Fiber THM Tension Barrel

Introduction

Thank you for choosing the 10/22 22 LR Carbon Fiber THM Tension Barrel. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Always treat the barrel as if it is loaded.
- Keep the barrel pointed in a safe direction at all times.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Familiarize yourself with local laws and regulations regarding the use of firearms and accessories.
- Do not use the barrel if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.
- Ensure that you are using the barrel with compatible firearms only.

Specific Safety Precautions for Use

- Ensure that the barrel is properly installed before use to avoid accidents.
- Use only ammunition that is compatible with the 10/22 model and the specified caliber (22 LR).
- Avoid using the barrel in wet or damp conditions to prevent rust and corrosion.
- Do not modify the barrel or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before beginning installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Barrel:** Follow the manufacturer's instructions for removing the existing barrel from your 10/22 firearm.
3. **Install the THM Tension Barrel:**
 - Align the barrel with the receiver of the firearm.
 - Securely attach the barrel, ensuring that it is tightened according to the manufacturer's specifications.
4. **Check Installation:** After installation, check for any movement or looseness in the barrel. It should be securely fastened.

Usage

- Load your firearm with the appropriate ammunition (22 LR).
- Ensure that the safety is engaged until you are ready to fire.
- Aim at a safe target and disengage the safety when ready to shoot.
- Follow all local laws and regulations regarding shooting and firearm use.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm accessories.
- Do not throw the barrel in regular household waste.
- If the barrel is damaged or no longer usable, consider contacting a local firearms dealer for proper disposal options.

Contact Information for Further Support

For any safety inquiries or further support regarding the 10/22 22 LR Carbon Fiber THM Tension Barrel, please reach out to your local authorized dealer or the manufacturer directly.

This safety instruction guide is designed to ensure your safety and compliance with the EU General Product Safety Regulation (GPSR). Always prioritize safety and responsible use when handling firearms and accessories. Thank you for your attention and enjoy your shooting experience!
