- Ensure the stock is properly secured to the firearm before use.
- Do not modify the stock or attempt to repair it without professional assistance.
- Avoid exposure to extreme temperatures or harsh chemicals that may damage the stock.
- If you experience any difficulty during installation or usage, cease operation immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

#### 2. Removing the Existing Stock

- Unscrew the action screws securing the original stock to the firearm.
- Carefully remove the action from the old stock.

#### 3. Installing the McMillan Stock

- Place the action into the McMillan Fiberglass Sporter Stock.
- Align the action with the stock's inletting.
- Secure the action using the provided screws, ensuring they are tightened but not overtightened.

#### 4. Final Checks

- Inspect the fit of the stock to ensure there are no gaps.
- Ensure the forend pressure pad is properly installed.

## **Usage**

- Always handle the firearm with care and respect.
- Ensure the stock is clean and free from obstructions before each use.
- Regularly check the tightness of the screws to maintain a secure fit.

## **Disposal Instructions**

- When disposing of the stock, follow local regulations for fiberglass materials.
- Do not burn the stock, as it may release harmful substances.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**
