Thread Protector for 1/2 x 28 Threads Safety Instruction Guide

Introduction

Thank you for choosing the Thread Protector for 1/2 x 28 Threads, made from highquality 416 stainless steel. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the thread protector.

General Safety Guidelines

- Ensure the product is used as intended and according to the guidelines provided.
- Regularly inspect the thread protector for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when handling the thread protector.
- Report any unsafe products and accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to damage to the firearm or injury to the user.
 - Use of the thread protector with incompatible threads may result in malfunction.
- **Avoiding Hazards:**
 - Always ensure compatibility with the firearm's threading before use.
 - Do not force the thread protector onto threads that do not match.
 - Never use the thread protector if it appears damaged or defective.
 - Ensure that the thread protector is securely attached before using the firearm.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under 18 years of age without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threads on the muzzle of the firearm to remove any debris or obstructions.

2. Installation:

- Align the thread protector with the muzzle threads.
- Gently screw the thread protector onto the muzzle, ensuring it fits snugly.
- Do not overtighten, as this may strip the threads or damage the protector.

3. Usage:

- Once installed, check that the thread protector is securely in place before using the firearm.
- Regularly inspect the thread protector during use for any signs of loosening or damage.

4. Removal:

- To remove the thread protector, unscrew it gently in the opposite direction.
- Store the thread protector in a safe location when not in use.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites for metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the Thread Protector for 1/2 x 28 Threads, please refer to the manufacturer's contact details provided with the product packaging or on the manufacturer's website.
