Safety Instruction Guide for 20 Hole Comp for M&P 1522, Black

Introduction

Thank you for choosing the 20 Hole Comp for M&P 1522, Black. This compensator is designed to enhance your shooting experience by minimizing recoil and dispersing gases evenly for improved accuracy. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this compensator.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Store the compensator and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the compensator with the Smith & Wesson M&P 1522 model.
- Do not exceed the manufacturer's specifications for ammunition.
- Ensure the compensator is properly installed before use.
- Avoid using the compensator in environments where it may be exposed to extreme temperatures or corrosive substances.
- Use protective eyewear when shooting to protect against debris and gases.
- Keep bystanders at a safe distance when firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device from the M&P 1522.
- Clean the muzzle threads to ensure a proper fit.
- Align the 20 Hole Comp with the muzzle threads and handtighten.
- Use a torque wrench to secure the compensator according to the manufacturer's specifications.
- Doublecheck that the compensator is securely attached before use.

2. Usage:

- Always wear appropriate safety gear, including eye protection and hearing protection.
- Before firing, ensure the area is clear of obstacles and bystanders.
- Fire in a controlled environment and follow all local laws and regulations regarding shooting.
- Monitor the performance of the compensator during use and discontinue use if any issues arise.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations concerning metal waste.
- If the compensator is damaged or no longer usable, do not attempt to repair it; dispose of it properly.
- Ensure that any packaging materials are recycled or disposed of according to local waste management guidelines.

Contact Information for Further Support

For any questions or concerns regarding the 20 Hole Comp for M&P 1522, Black, please refer to the manufacturer's contact information provided with your product. It is essential to reach out to them for any safety inquiries or support.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Enjoy your shooting experience responsibly!
