

# Accurizing Kit, MKII or MKIII, Black Target Trigger

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Accurizing Kit, MKII or MKIII, Black

Complete drop-in kit comes complete with Target Hammer, Target Sear, Target Trigger, Extended Bolt Release and Trigger Return Spring with Polished Plunger. The trigger features adjustable pretravel and overtravel screws.

The Accurizing Kit combines all of the internal components needed for that crisp, clean 2.25lb trigger pull the discriminating shooter is looking for. No stoning or fitting required. Final trigger pull may vary slightly due to factory frame variances.

- Note: Use of the included Hammer Bushing in MKIII pistols will remove the magazine disconnect feature from your pistol.
- Accurizing Kits fit the Ruger MKII, MKIII and all variations of the MKIII 22/45 (extended bolt release and sear spring are not used when installing in a 22/45).
- This kit also includes a Volquartsen MKII Hammer Bushing that must be used when eliminating the magazine disconnect feature in the Ruger MKIII. Please note the only way we recommend to remove the magazine disconnect in the Ruger MKIII is by using this kit.

## Attributes

- Name: [Accurizing Kit, MKII or MKIII, Black Target Trigger](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231059

# Accurizing Kit, MKII or MKIII, Black Safety Instruction Guide

## Introduction

Thank you for choosing the Accurizing Kit, MKII or MKIII, Black. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with your firearm and its components before using this kit.
- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Use this product only in accordance with the manufacturer's instructions.
- Store the kit and all firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and this kit for any signs of wear or damage before use.
- If you are unsure about any aspect of the installation or usage, seek assistance from a qualified gunsmith or firearms expert.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own and operate firearms. Ensure that you comply with local laws regarding firearm ownership and usage.
- **Potential Hazards:**
  - Improper installation may lead to malfunction or unintended discharge of the firearm.
  - The removal of the magazine disconnect feature may increase the risk of accidental discharge.
- **Avoiding Hazards:**
  - Follow all installation instructions carefully to prevent improper fitting.
  - Always ensure the firearm is unloaded before beginning installation.
  - Do not attempt to modify the kit or use it in ways not specified in the instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all tools required for installation, as specified in the product instructions.

### 2. Installation Steps:

- Remove the existing components from your Ruger MKII or MKIII as per the manufacturer's guidelines.
- Install the Target Hammer, Target Sear, Target Trigger, Extended Bolt Release, and Trigger Return Spring with Polished Plunger according to the provided instructions.
- Adjust the pretravel and overtravel screws on the trigger to your preference.
- Ensure that all components are securely fitted and functioning correctly before use.

### 3. Final Checks:

- After installation, conduct a function check to ensure that the trigger operates smoothly and safely.
- Verify that the firearm operates correctly without any jams or malfunctions.

#### 4. Usage:

- When using your firearm, always follow standard safety practices, including wearing appropriate eye and ear protection.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting.

## Disposal Instructions

- Dispose of any packaging materials and old components in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Check with local authorities for proper disposal methods for firearm components.

## Contact Information for Further Support

For further information or assistance regarding the Accurizing Kit, MKII or MKIII, Black, please consult the manufacturer's website or contact their customer support directly. Ensure you have your product details available for reference.

Thank you for prioritizing safety while using the Accurizing Kit. Enjoy your improved shooting experience!
