## Competition Bolt, MK IV, MKIII, or MKII, Gold (TiN)

Are you a competitive shooter looking to eliminate stovepipes, failures to fire and improve the overall performance of your Ruger MKII, MKIII, or MK IV pistol? The Competition Bolt is the answer!

CNC-machined and ground for superior fit and finish

Includes Exact Edge Extractor and SureStrike Firing Pin.

Extended Bolt Racker machined integral to the bolt for improved manual cycling of the bolt - no more pinched fingers!

Case hardened and then treated with DLC - a high performance premium finish that offers many advantages.

- Increased hardness
- Low residual stress
- Increased lubricity
- Low coefficient of friction
- Improved wear resistance
- Requires much less lubrication

# Competition Bolt, MK IV, MKIII, or MKII, Gold (TiN) Safety Instruction Guide

## Introduction

Thank you for choosing the Competition Bolt, MK IV, MKIII, or MKII, Gold (TiN). This product is designed to enhance the performance of your Ruger pistol by reducing stovepipes and failures to fire. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the Competition Bolt is compatible with your Ruger model (MK II, MK III, or MK IV) before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the Competition Bolt and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the Competition Bolt for wear or damage before use.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when using firearms equipped with the Competition Bolt.
- Avoid placing fingers near the trigger until you are ready to shoot.
- Ensure the firearm is unloaded before installing or removing the Competition Bolt.
- Do not use the Competition Bolt if it shows signs of damage or excessive wear.
- Follow all manufacturer instructions regarding the use and maintenance of your Ruger pistol.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and cleaning supplies.

### 2. Installation:

- Remove the existing bolt from your Ruger pistol according to the manufacturer's instructions.
- Carefully insert the Competition Bolt into the bolt housing.
- Ensure that the Exact Edge Extractor and SureStrike Firing Pin are properly aligned and seated.
- Reattach any components removed during installation, ensuring everything is secure.

### 3. Usage:

- After installation, perform a function check to ensure the bolt operates smoothly.
- Use appropriate ammunition as recommended by the manufacturer.
- Regularly clean and maintain the Competition Bolt to ensure optimal performance.

## Disposal Instructions

- Dispose of the Competition Bolt in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Competition Bolt, please refer to the manufacturer's contact information provided with the product packaging.
