

# LLV-X, 6" - Scorpion-X LLV for Ruger MKII/MKIII, 6"

[Handgun Parts](#) > [Receiver Parts](#) > [Barreled Receivers](#)

## LLV-X, 6"

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with a 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Compatible with the following optics:
  - Burris Fast Fire
  - C-More RTS 2
  - C-More Slide Ride
  - JP Enterprises JPoint

# LLVX Safety Instruction Guide

## Introduction

Thank you for choosing the LLVX, 6" Barreled Receiver. This guide provides important safety instructions to ensure safe handling, installation, and use of the product. Please read this guide carefully before use to prevent accidents and ensure compliance with safety regulations.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the LLVX, 6" before use.
- Always handle the product with care, as it is designed for precision shooting.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using the product.
- Do not modify the product in any way that may affect its safety or performance.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and usage.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper handling may lead to accidental discharge.
- Use of incompatible optics may affect performance.
- Failure to secure the product properly can result in injury or damage.

- **Avoiding Hazards:**

- Always keep the muzzle pointed in a safe direction.
- Ensure the product is unloaded before any maintenance or installation.
- Use only compatible optics as specified in the product description.
- When installing or removing optics, ensure that the product is secured and stable.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older.
- Ensure that younger users are supervised by a responsible adult at all times.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the product is unloaded and pointed in a safe direction.
2. Remove the existing upper receiver from the firearm frame.
3. Align the LLVX, 6" receiver with the frame and ensure proper fit.
4. Secure the receiver using the provided screws, ensuring they are tightened appropriately.
5. Install the optic of your choice, ensuring compatibility as listed in the product description.
6. Check all connections and ensure the product is securely fitted before use.

- **Usage:**

- Always perform a function check before each use.
- Use the product in a controlled environment, such as a shooting range.
- Follow all range rules and guidelines when using the product.

- After use, clean the product according to the manufacturer's recommendations to maintain performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for specific disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding your LLVX, 6", please refer to the contact point provided in the product packaging or visit the manufacturer's website.

By following these instructions and guidelines, you can ensure the safe and effective use of your LLVX, 6".  
Thank you for prioritizing safety!
