LLV Competition Pistol Upper, Black, 4.5"

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with either a 4.5" or 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Works with any MKII or MKIII frame (either 22/45 or Target Model)
- Not compatible with MK IV

Attributes

- Name: [Scorpion LLV for Ruger MKII/MKIII, 4.5"](#)

LLV Competition Pistol Upper Safety Instruction Guide

Introduction

Thank you for purchasing the LLV Competition Pistol Upper, Black, 4.5". This product is designed for enhanced performance and precision. To ensure your safety and the safety of others, please read and follow these safety instructions carefully. This guide complies with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the pistol upper with care, treating it as if it is loaded.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.
- Ensure you have adequate training and knowledge before using this product.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the pistol upper.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not modify the pistol upper or use it in a manner not specified by the manufacturer.
- Always use the correct ammunition specified for your firearm.
- Be aware of your surroundings and ensure that there are no unauthorized individuals in the vicinity when using the product.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Remove the existing upper from the MKII or MKIII frame.
- Align the LLV Competition Pistol Upper with the frame.
- Securely attach the upper to the frame, ensuring all components are fitted correctly.
- Check that the integral Picatinny rail is properly aligned.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Always check the barrel for obstructions before firing.
- Follow all local laws and regulations regarding the use of firearms.
- Practice safe shooting techniques at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or further support, please refer to the manufacturer or authorized dealers. Ensure you have the product details available for assistance.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your LLV Competition Pistol Upper. Thank you for your attention to safety.
