LLV Competition Pistol Upper, Black, 4.5", Comp

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with either a 4.5" or 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Works with any MKII or MKIII frame (either 22/45 or Target Model)
- Not compatible with MK IV

LLV Competition Pistol Upper Safety Instruction Guide

Introduction

Thank you for choosing the LLV Competition Pistol Upper, Black, 4.5", Comp. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat the LLV Competition Pistol Upper as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the firearm is securely stored and out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when using the pistol upper.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Ensure that the pistol upper is compatible with your MKII or MKIII frame (either 22/45 or Target Model).
- Do not use the pistol upper with an MK IV frame, as it is not compatible.
- Always verify that the firearm is unloaded before attaching or detaching the pistol upper.
- Do not modify the pistol upper in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that you are in a safe environment when using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the LLV Competition Pistol Upper with the MKII or MKIII frame.
- Securely attach the upper to the frame, ensuring proper alignment.
- Verify that the upper is securely fastened before use.

2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Always check the functionality of the upper before shooting.
- Maintain a firm grip on the firearm while aiming and shooting.
- Follow all shooting range rules and regulations.

Disposal Instructions

- Dispose of the LLV Competition Pistol Upper in accordance with local regulations regarding firearms and accessories.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact the

retailer from whom you purchased the product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your LLV Competition Pistol Upper. Always prioritize safety and be mindful of your surroundings while using this product. Thank you for your attention to these important guidelines.
