LLV Competition Pistol Upper, Black, 4.5", Target Sights

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with either a 4.5" or 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Works with any MKII or MKIII frame (either 22/45 or Target Model)
- Not compatible with MK IV

LLV Competition Pistol Upper Safety Instruction Guide

Introduction

Thank you for choosing the LLV Competition Pistol Upper, Black, 4.5", Target Sights. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat your pistol upper as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your pistol upper in a secure location, out of reach of children and unauthorized users.
- Use only the recommended accessories and parts.
- Regularly inspect your pistol upper for signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- Be aware of your surroundings and ensure you have a safe backdrop when shooting.

Specific Safety Precautions for Use

- Ensure the pistol upper is properly mounted to the frame before use.
- Use only ammunition that is compatible with your MKII or MKIII frame.
- Avoid using the pistol upper in wet or humid conditions to prevent corrosion.
- Do not modify the pistol upper in any way that could compromise its safety or performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before installation.
- Remove the existing upper from your MKII or MKIII frame.
- Align the LLV Competition Pistol Upper with the frame.
- Securely fasten the upper to the frame according to the manufacturer's instructions.
- Verify that the upper is properly attached by checking for any movement or play.

2. Usage

- Load the firearm with compatible ammunition.
- Ensure the safety mechanism is engaged until you are ready to fire.
- Aim at a safe target area and ensure your surroundings are clear.
- Disengage the safety and proceed to fire as intended.
- After use, clean the pistol upper according to the manufacturer's cleaning recommendations.

Disposal Instructions

- Dispose of any damaged or nonfunctional parts in accordance with local regulations.
- Do not throw away the pistol upper in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the LLV Competition Pistol Upper, please refer to the manufacturer's website or contact their customer support. Always ensure you have the latest information regarding safety recalls or product updates.

By following these guidelines, you can ensure a safe and enjoyable experience with your LLV Competition Pistol Upper. Thank you for your attention to these important safety instructions.
