## LLV Competition Pistol Upper, Black, 6", Comp

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with either a 4.5" or 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Works with any MKII or MKIII frame (either 22/45 or Target Model)
- Not compatible with MK IV

## Attributes

- Name: [Scorpion LLV for Ruger MKII/MKIII, 6", Comp](#)
- Manufacturer: [VOLQUARTSEN](#)

# LLV Competition Pistol Upper Safety Instruction Guide

## Introduction

Thank you for choosing the LLV Competition Pistol Upper. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before installation and use. Adhering to these guidelines will help you avoid potential hazards and ensure a safe shooting experience.

## General Safety Guidelines

- Always treat the pistol upper as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that you are familiar with the operation of your firearm before using the LLV Competition Pistol Upper.
- Store the pistol upper and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the pistol upper for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the LLV Competition Pistol Upper is compatible with your MKII or MKIII frame (either 22/45 or Target Model).
- Do not use the product if it is damaged or malfunctioning.
- Always wear appropriate eye and ear protection when using the firearm equipped with the LLV Competition Pistol Upper.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the pistol upper in wet or humid conditions to prevent corrosion.
- Do not modify the pistol upper in any way, as this may compromise safety and performance.
- Keep fingers away from the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before beginning the installation process.
- Remove the existing upper from the MKII or MKIII frame.
- Align the LLV Competition Pistol Upper with the frame and ensure it is securely fitted.
- Tighten any screws or fasteners according to the manufacturer's specifications.
- Check the fit and function of the upper before use.

### 2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Always maintain proper grip and stance while shooting.
- After each use, clean the LLV Competition Pistol Upper to maintain its performance and longevity.
- Store the firearm in a safe and secure manner when not in use.

## **Disposal Instructions**

- Dispose of the LLV Competition Pistol Upper in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product. It is essential to have access to a reliable source for assistance with your LLV Competition Pistol Upper.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LLV Competition Pistol Upper. Always prioritize safety and responsible firearm handling.
