LLV Competition Pistol Upper, Black, 6", Comp, Target Sights

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with either a 4.5" or 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Works with any MKII or MKIII frame (either 22/45 or Target Model)
- Not compatible with MK IV

Attributes

- Name: [Scorpion LLV for Ruger MKII/MKIII, 6", Comp, Target Sights](#)

LLV Competition Pistol Upper Safety Instructions

Introduction

Thank you for choosing the LLV Competition Pistol Upper. This product is designed for competitive shooting and target practice. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions, precautions, and disposal information to help you use the LLV Competition Pistol Upper safely and responsibly.

General Safety Guidelines

- Always treat the LLV Competition Pistol Upper as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling or using the pistol upper.
- Only use the LLV Competition Pistol Upper with compatible MKII or MKIII frames (22/45 or Target Model).
- Do not modify the pistol upper in any way that could affect its safety or performance.
- Regularly inspect the product for any signs of wear or damage before use.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Ensure that the barrel is clear of obstructions before firing.
- Always wear appropriate eye and ear protection when using the pistol upper.
- Do not use the pistol upper if you are under the influence of drugs or alcohol.
- Be aware of your surroundings and ensure that there are no unauthorized individuals in the vicinity when shooting.
- If you experience any malfunctions or issues while using the pistol upper, cease use immediately and consult a qualified gunsmith or professional.
- Use only highquality ammunition that is compatible with the MKII or MKIII frame.
- Avoid using the pistol upper in adverse weather conditions, such as rain or extreme heat.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Upper:** If applicable, remove the existing upper from the MKII or MKIII frame.
3. **Attach the LLV Competition Pistol Upper:** Align the upper with the frame and secure it according to the manufacturer's instructions.
4. **Check Fit:** Ensure that the upper is firmly attached and does not wobble or move.
5. **Inspect the Assembly:** Verify that all components are properly aligned and secured before use.

Usage

1. **Loading the Firearm:** Use the appropriate ammunition and load the firearm following standard safety protocols.
2. **Aiming:** Use the integral Picatinny rail to mount any optics or sights as needed.
3. **Firing:** Maintain a proper shooting stance and grip. Pull the trigger smoothly while keeping the muzzle pointed downrange.
4. **PostFiring:** After firing, keep the firearm pointed in a safe direction and unload it immediately.

Disposal Instructions

- When disposing of the LLV Competition Pistol Upper, follow local regulations regarding firearm parts and accessories.
- If the product is no longer usable, consider contacting a local waste management facility for proper disposal methods.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the LLV Competition Pistol Upper, please refer to the manufacturer's contact details or your local firearm dealer for assistance. It is important to have access to support for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LLV Competition Pistol Upper. Always prioritize safety and responsibility when handling firearms and accessories.
