## LLV Competition Pistol Upper, Black, 6", Target Sights

A CNC-machined billet receiver is the foundation of this lightweight setup. The receiver and barrel shroud are precision-machined as one piece from aluminum. An integral Picatinny rail is machined into the top of the receiver. It is then fitted with either a 4.5" or 6" precision stainless steel barrel that has been machine-honed and lapped. The barrel has been contoured to reduce weight without sacrificing accuracy.

The Scorpion LLV Competition Upper features a stainless steel breech face designed to withstand years of use both in practice and on the range!

- Works with any MKII or MKIII frame (either 22/45 or Target Model)
- Not compatible with MK IV

# LLV Competition Pistol Upper Safety Instructions

## Introduction

Thank you for choosing the LLV Competition Pistol Upper, Black, 6", Target Sights. This product is designed for competitive shooting and recreational use. To ensure your safety and the safety of others, please read this manual carefully before using the product.

## General Safety Guidelines

- Always treat the pistol upper as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the product in a secure place, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection during use.
- Regularly inspect the pistol upper for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and ownership of firearms and accessories.

## Specific Safety Precautions for Use

- Ensure that the pistol upper is compatible with your MKII or MKIII frame before installation.
- Do not attempt to modify or alter the pistol upper in any way.
- Use only approved ammunition that is compatible with the product specifications.
- Avoid using the pistol upper in adverse weather conditions that may affect performance.
- Do not use the product if you are under the influence of alcohol or drugs.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing upper from your MKII or MKIII frame, following the manufacturer's instructions.
- Align the LLV Competition Pistol Upper with the frame, ensuring the Picatinny rail is properly positioned.
- Secure the upper in place using the appropriate screws or fasteners, ensuring a tight fit.
- Doublecheck that all components are securely attached before proceeding to use.

### 2. Usage

- Load the firearm with compatible ammunition according to the manufacturer's guidelines.
- Check the functionality of the trigger and safety mechanisms before shooting.
- Fire the pistol in a controlled environment, ensuring that bystanders are at a safe distance.
- After use, ensure the firearm is unloaded and clean the pistol upper according to the maintenance guidelines.

## Disposal Instructions

- When disposing of the product, follow local regulations regarding firearm accessories.
- Do not discard the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, maintenance, or product performance, please refer to the manufacturer's customer service resources or website. Ensure that you have your product details on hand for efficient assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your LLV Competition Pistol Upper. Always prioritize safety and responsible usage.
