Multi-port Comp for LLV and Scorpion, Black Anodized Aluminum

This compensator is specifically designed for the Volquartsen LLV upper. This will also fit the Volquartsen Scorpion or Black Mamba pistol. It is CNC-machined from a solid billet and then finished for durability.

This compensator matches the same profile of the LLV and uses a knurled nut to secure to the muzzle threads. Pin wrench for installation is included.

Multiport Comp for LLV and Scorpion Safety Instructions

Introduction

Thank you for purchasing the Multiport Comp for LLV and Scorpion, Black Anodized Aluminum. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure you are familiar with the operation and handling of your firearm before using this compensator.
- Store the compensator in a safe location, away from children and unauthorized users.
- Inspect the product regularly for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Use only with the Volquartsen LLV upper or compatible models (Scorpion or Black Mamba).
- Ensure that the compensator is securely attached to the muzzle threads before firing.
- Use the provided pin wrench for installation to avoid improper fitting.
- Do not exceed the manufacturer's specifications for ammunition and firearm use.
- Be aware of your surroundings and ensure a safe shooting area.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device, if applicable.
- Clean the muzzle threads to ensure a proper fit.
- Align the compensator with the muzzle threads.
- Handtighten the compensator onto the threads.
- Use the provided pin wrench to secure the compensator fully. Do not overtighten.

2. Usage:

- After installation, perform a function check to ensure proper fit.
- Fire the firearm in a controlled environment, following all safety protocols.
- Regularly check the compensator for tightness and signs of wear after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Multiport Comp for LLV and Scorpion, please consult the manufacturer or your local dealer for assistance. Always ensure that you have the most up-to-date information.

regarding safety and compliance.
