Single-port Comp for LLV and Scorpion, Black Anodized Aluminum

This compensator is specifically designed for the Volquartsen LLV upper. This will also fit the Volquartsen Scorpion or Black Mamba pistol. It is CNC-machined from a solid billet and then finished for durability.

This compensator matches the same profile of the LLV and uses a knurled nut to secure to the muzzle threads. Pin wrench for installation is included.

Singleport Comp for LLV and Scorpion Safety Instruction Guide

Introduction

Thank you for choosing the Singleport Comp for LLV and Scorpion, Black Anodized Aluminum. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe handling, installation, and usage of the compensator.

General Safety Guidelines

- Always handle firearms with care and follow standard safety procedures.
- Ensure that the firearm is unloaded before attaching or removing the compensator.
- Use the compensator only with compatible firearms: Volquartsen LLV upper and Scorpion or Black Mamba pistols.
- Do not modify the compensator or the firearm in any way that could compromise safety.
- Keep the compensator and firearms out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage before use.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- Ensure that the compensator is securely attached to the muzzle threads before firing.
- Use the included pin wrench for installation to avoid damaging the compensator or the firearm.
- Do not exceed the recommended ammunition specifications for your firearm when using the compensator.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or unusual behavior from the firearm while using the compensator, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the included pin wrench.

2. Installation:

- Align the compensator with the muzzle threads of your firearm.
- Handtighten the compensator onto the threads.
- Use the pin wrench to secure the compensator firmly, but do not overtighten.
- Check for proper alignment and ensure that the compensator is secure.

3. Usage:

- Once installed, you may proceed to use the firearm as normal.
- Always follow the general safety guidelines while handling and shooting.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- If the compensator is damaged or no longer usable, consider recycling the aluminum material where

facilities exist.

- Do not dispose of the compensator in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Singleport Comp for LLV and Scorpion, please consult the manufacturer or a qualified firearms expert. It is important to stay informed about safety practices and product recalls.

By following these guidelines, you can ensure a safe and enjoyable experience with your Singleport Comp for LLV and Scorpion. Thank you for prioritizing safety and responsible firearm usage.
