

# Magazine Follower Button for Ruger Pistols, 10 Pack

## Magazine Follower Button for Ruger Pistols, 10 Pack

Have a sluggish MKII, MKIII, MK IV, or 22/45 Ruger magazine? Chances are the spring is fine but the actual culprit is the metal on metal contact of the magazine button.

Not only does this make magazines hard to load but it can also cause feeding problems by allowing the round to hang up before the bolt closes. If your magazine has a gritty and rough feeling when loading, we suggest using our Magazine Follower Button for incredibly smooth operation. Our button is knurled for easy gripping but more importantly, it eliminates the metal on metal contact providing easy loading and trouble free feeding.

## Attributes

- Name: [Magazine Follower Button for Ruger Pistols, 10 Pack](#)

# Magazine Follower Button for Ruger Pistols Safety Instruction Guide

## Introduction

Thank you for choosing the Magazine Follower Button for Ruger Pistols. This product is designed to enhance the performance of your Ruger magazines by reducing metalonmetal contact, leading to smoother operation and improved feeding. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Product Safety:** This product is designed for safe use with Ruger MKII, MKIII, MK IV, and 22/45 pistols. Always follow the manufacturer's guidelines for safe handling and usage.
- Potential Hazards:** Improper installation or use may lead to feeding issues or damage to your firearm. Always ensure proper fit and functionality before use.
- Vulnerable Groups:** This product is not intended for use by individuals under the age of 18. Keep out of reach of children.
- Online Shopping Safety:** If purchased online, ensure the retailer complies with EU safety standards. Verify that the product is genuine and has not been altered.
- Reporting Unsafe Products:** If you encounter any issues with this product, report them to the relevant authorities. Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Inspection:** Before installation, inspect the Magazine Follower Button for any visible damage or defects.
- Compatibility:** Confirm that this product is compatible with your specific Ruger model (MKII, MKIII, MK IV, or 22/45).
- Proper Handling:** Handle the product with care to avoid injury. Use appropriate tools for installation.
- Loading Procedure:** When loading, ensure that the magazine is securely in place and that the follower button is correctly positioned.
- Avoid Force:** Do not force the magazine button into the magazine. If it does not fit easily, check for obstructions or compatibility issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a small screwdriver, if required.

### 2. Installation:

- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions. This may involve removing a base plate or other components.
- Carefully remove the old follower button, if applicable.
- Insert the new Magazine Follower Button into the magazine, ensuring it fits securely.
- Reassemble the magazine, ensuring all components are correctly aligned and secured.

### 3. Usage:

- Load ammunition into the magazine as per the manufacturer's guidelines.

- Ensure that the magazine is inserted correctly into the firearm before attempting to fire.
- Test the magazine for smooth operation before use in a live setting.

#### 4. PostInstallation Check:

- After installation, perform a function check to ensure the magazine operates smoothly.
- If any issues arise, consult a qualified gunsmith or contact customer support for assistance.

## Disposal Instructions

- **Environmental Considerations:** Dispose of any packaging materials responsibly. Follow local regulations for the disposal of plastic and metal components.
- **Product Disposal:** If the Magazine Follower Button is no longer usable, dispose of it in accordance with local waste management regulations. Do not dispose of it in regular household waste if it can be recycled or requires special disposal.

## Contact Information for Further Support

For any inquiries or further assistance regarding the Magazine Follower Button for Ruger Pistols, please refer to the manufacturer's website or customer service resources. Ensure to have your product details on hand for a more efficient support experience.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the Magazine Follower Button for Ruger Pistols!
