Heavy Recoil Spring for MKII, MKIII, MK IV, and 22/45 Safety Instruction Guide

Introduction

Thank you for choosing the Heavy Recoil Spring for MKII, MKIII, MK IV, and 22/45. This guide provides essential safety information and instructions to ensure the safe use and handling of this product. Please read this guide carefully before use.

General Safety Guidelines

To ensure safe use of the Heavy Recoil Spring, please adhere to the following guidelines:

- Always use the recoil spring as specified in the product instructions.
- Keep the recoil spring and all related components out of reach of children and vulnerable individuals.
- Inspect the recoil spring regularly for any signs of wear or damage.
- Do not use the recoil spring if it appears damaged or worn.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

When using the Heavy Recoil Spring, please observe the following precautions:

- Ensure you are using the recoil spring with the appropriate recoil rod packaged in our kit.
- Use protective eyewear when handling firearms or firearm accessories.
- Never modify the recoil spring or any related components.
- Always handle firearms safely, following the basic rules of firearm safety.
- Be aware of your surroundings when using the firearm with the recoil spring installed.

Instructions for Installation and Usage

Follow these instructions for the proper installation and usage of the Heavy Recoil Spring:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing recoil spring from the firearm.
- Take the Heavy Recoil Spring and align it with the recoil rod.
- Insert the recoil spring into the recoil rod, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- After installation, ensure that the firearm functions correctly with the new recoil spring.
- Test the firearm in a safe environment to confirm proper operation.
- If any issues arise, consult a qualified gunsmith or contact customer support for assistance.

Disposal Instructions

When disposing of the Heavy Recoil Spring, please follow these guidelines:

- Dispose of the recoil spring in accordance with local waste disposal regulations.

- Do not dispose of the recoil spring in regular household waste.
- If the recoil spring is damaged or no longer needed, consider recycling it if possible.

Contact Information for Further Support

For any inquiries or concerns regarding the Heavy Recoil Spring, please contact the manufacturer or your local dealer. Ensure you have the product information on hand for a quicker response.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your experience with the Heavy Recoil Spring for MKII, MKIII, MK IV, and 22/45.
