Standard Recoil Spring for MKII, MKIII, MK IV, and 22/45 Safety Instructions

Introduction

Thank you for choosing the Standard Recoil Spring for MKII, MKIII, MK IV, and 22/45. This safety instruction guide is designed to help you understand the proper use, installation, and disposal of the recoil spring, ensuring a safe experience. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents or injuries.
- Always handle the recoil spring with care, keeping it away from children and pets.
- Use the recoil spring only with the specified recoil rod packaged in our kit.
- Regularly inspect the recoil spring for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the recoil spring with compatible models: MKII, MKIII, MK IV, and 22/45.
- Do not modify the recoil spring or use it in any manner other than intended.
- Wear appropriate safety gear, such as eye protection, when handling or installing the recoil spring.
- Ensure that the firearm is unloaded and pointed in a safe direction before installation.
- Keep fingers and hands clear of moving parts during installation and use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a suitable screwdriver and safety gear.

2. Installation:

- Remove the existing recoil spring from the recoil rod.
- Carefully install the new Standard Recoil Spring onto the recoil rod, ensuring it is seated properly.
- Doublecheck that the recoil spring is securely attached before reassembling the firearm.

3. Usage:

- After installation, test the firearm in a safe environment to confirm proper function.
- Monitor the recoil spring during use for any unusual sounds or performance issues.
- If any issues arise, discontinue use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations.
- Do not dispose of the recoil spring in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the Standard Recoil Spring, please refer to the official contact points provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
