Safety Instruction Guide for Laminated Grips for MKIII, RightHanded Blue

Introduction

Thank you for choosing the Laminated Grips for MKIII, RightHanded Blue. These grips are designed to enhance your shooting experience by providing a comfortable and steady hold. It is essential to follow the safety guidelines and instructions provided in this document to ensure safe usage and compliance with EU General Product Safety Regulations (GPSR).

General Safety Guidelines

- Always handle firearms with care and follow basic firearm safety rules.
- Ensure that the grips are compatible with your firearm model (MKIII only).
- Inspect the grips regularly for any signs of wear or damage.
- Do not use these grips if they show any defects or if they do not fit properly.
- Keep the grips out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure your firearm is unloaded before installing or handling the grips.
- Avoid using the grips in wet or humid conditions to prevent damage to the laminated wood.
- Do not modify the grips or the firearm in any way that could compromise safety.
- If your pistol has an extended magazine release, ensure it is replaced with the appropriate part before installation.
- Always wear appropriate eye and ear protection when using your firearm.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools: a small screwdriver for the allen head screws provided.

2. Remove Old Grips:

- Unscrew and remove the existing grips from your MKIII firearm.

3. Install New Grips:

- Align the new laminated grips with the grip frame of the firearm.
- Secure the grips in place using the four provided allen head screws. Ensure they are tightened but do not overtighten, as this may damage the grips.

4. Extended Magazine Release:

- If your model has an extended magazine release, replace it with the Magazine Release for MK IV before final installation.

Usage

- Hold the firearm with both hands, ensuring a steady grip with your dominant hand on the new grips.
- Practice your shooting stance and grip to ensure comfort and stability.
- Regularly check the grip's fit and condition before each use.

Disposal Instructions

- Dispose of any old grips responsibly, in accordance with local waste disposal regulations.
- The laminated wood grips can typically be disposed of with regular wood waste, but check local guidelines for specific requirements.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of the Laminated Grips for MKIII, please refer to your local retailer or manufacturer for assistance.

By following these guidelines, you can ensure a safer and more enjoyable shooting experience with your new Laminated Grips for MKIII, RightHanded Blue. Thank you for prioritizing safety.
