# Safety Instruction Guide for Laminated Grips for MKIII, RightHanded

## Introduction

Thank you for choosing the Laminated Grips for MKIII, RightHanded Grey. These grips are designed to enhance your shooting experience by providing a comfortable and secure hold on your firearm. This guide outlines essential safety instructions to ensure safe use and installation of your new grips, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the grips are compatible with your firearm model (MKIII) before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the grips and firearm out of reach of children and vulnerable individuals.
- Regularly inspect grips for wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility:**
  - These grips do not fit 22/45 models. Only compatible with standard size magazine releases.
  - If your pistol has an extended magazine release (MK IV Hunter and Competition models), replace it with our Magazine Release for MK IV before installation.
- **Installation Safety:**
  - Use caution when handling tools during installation.
  - Ensure the firearm is unloaded before beginning the installation process.
  - Follow all installation instructions carefully to avoid improper fitting.
- **Use Safety:**
  - Always maintain proper firearm handling practices when using your pistol.
  - Ensure that your grip is securely attached before shooting.
- **Vulnerable Groups:**
  - Keep the grips and firearm out of reach of children and individuals who may not understand safe firearm practices.

## Instructions for Installation and Usage

### 1. Unloading the Firearm:

- Ensure the firearm is completely unloaded. Remove the magazine and check the chamber.

### 2. Removing Old Grips:

- Use an appropriate allen wrench to remove the screws securing the existing grips to the firearm.

### 3. Preparing the New Grips:

- Align the new Laminated Grips with the grip frame of the firearm, ensuring that the thumb rest, heel rest, and finger grooves are properly positioned.

#### **4. Attaching the New Grips:**

- Using the provided allen head screws, secure the new grips to the firearm. Do not overtighten the screws as this may damage the grips.

#### **5. Installing Extended Magazine Release (if applicable):**

- If your firearm has an extended magazine release, replace it with the Magazine Release for MK IV before using the new grips.

#### **6. Final Inspection:**

- After installation, inspect the grips to ensure they are securely attached and that there are no gaps between the grips and the firearm.

#### **7. Usage:**

- Hold the firearm with a relaxed grip, utilizing the thumb rest and finger grooves for a steadier hold during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the grips become damaged beyond repair, dispose of them responsibly. Check local regulations for proper disposal methods for wood products.

## **Contact Information for Further Support**

For any questions or concerns regarding the Laminated Grips for MKIII, RightHanded, please refer to the product packaging for contact details.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your enhanced shooting experience with your new Laminated Grips.
