

Laminated Grips for MKIII, Right-Handed - Laminated Grips for MKIII, Red, Right-Handed

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Target grips feature thumb rest, heel rest and finger grooves. Designed to give the shooter a relaxed, steadier hold. CNC-machined from laminated wood and available in a variety of colors. Includes four allen head screws. An extended magazine release is included.

- These grips do not fit 22/45 models
- Only compatible with standard size magazine releases. If your pistol has an extended magazine release (MK IV Hunter and Competition models), you will need to replace it with our [Magazine Release for MK IV](#) when installing these grips.

Safety Instruction Guide for Laminated Grips for MKIII, RightHanded Red

Introduction

Thank you for choosing the Laminated Grips for MKIII, RightHanded Red. These grips are designed to enhance your shooting experience by providing a comfortable and secure hold. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms responsibly and follow all local laws and regulations.
- Store the grips in a safe place to avoid accidental damage or misuse.
- Regularly inspect the grips for any signs of wear or damage before use.
- If any issues are identified, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the grips.
- Use caution when handling tools and screws during installation to avoid injury.
- Do not modify the grips or attempt to alter their design in any way.
- Keep the grips away from moisture and extreme temperatures to maintain their integrity.
- Ensure that the grips are compatible with your specific model of the firearm (MKIII) before installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather necessary tools, including the provided allen head screws.

2. Installation:

- Remove the existing grips from the firearm by unscrewing them carefully.
- Align the new Laminated Grips with the grip frame of the firearm.
- Secure the grips in place using the provided allen head screws.
- Ensure that the grips are tightened adequately, but do not overtighten to avoid damage.

3. Usage:

- Hold the firearm with both hands, ensuring a secure grip.
- Use the thumb rest, heel rest, and finger grooves to achieve a relaxed and steady hold.
- Practice safe shooting techniques and always be aware of your surroundings.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grips are damaged beyond repair, please dispose of them responsibly, ensuring they do not pose a risk to others.
- Consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Laminated Grips for MKIII, RightHanded Red, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Thank you for prioritizing safety and compliance while using your new grips. Enjoy your shooting experience!
