# VF Target Frame Safety Instruction Guide

## Introduction

Thank you for choosing the VF Target Frame, 1911 Style, OD Green. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use the VF Target Frame safely and effectively.

## General Safety Guidelines

- Always treat the VF Target Frame as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling the frame.
- Store the frame and any associated components securely and out of reach of children.
- Regularly inspect the frame and its components for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the frame is compatible with your firearm model (Ruger MKII, MKIII, 22/45).
- Do not modify the frame or its components without consulting a qualified gunsmith.
- Use only recommended accessories and parts with the VF Target Frame.
- Be aware of the 2.25 lb trigger pull and practice safe handling to avoid accidental discharges.
- Always wear appropriate eye and ear protection when using the firearm.
- Keep your fingers off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before installation.
- Carefully remove the existing frame from your firearm.
- Align the VF Target Frame with the firearm components, ensuring proper fit.
- Follow the manufacturer's instructions for securing the frame in place.
- Check all connections and ensure that the frame is securely attached.

### 2. Usage:

- Load the firearm only when you are ready to shoot.
- Always aim at your target and be aware of your surroundings.
- After use, unload the firearm and store it safely.
- Clean the frame and components regularly to maintain optimal performance.

## Disposal Instructions

- Dispose of the VF Target Frame and any associated components in accordance with local regulations.
- Do not dispose of the frame in regular household waste.
- Check with local waste management authorities for proper disposal methods for aluminum and firearm components.

## Contact Information for Further Support

For any questions or concerns regarding the VF Target Frame, please refer to the manufacturer's contact information included with the product packaging. Ensure that you have the product details on hand for efficient support.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the VF Target Frame while prioritizing safety and compliance.
