## Introduction

Thank you for choosing the VF Target Frame, 1911 Style, OD Green Frame, Hogue Grips. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children.
- Do not rely solely on safety mechanisms; always practice safe handling.
- Regularly inspect your firearm and components for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the VF Target Frame is compatible with your firearm model (Ruger MKII, MKIII, 22/45).
- Do not use the VF Target Frame if it shows signs of damage or wear.
- Use only quality ammunition that is recommended for your firearm.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never modify the VF Target Frame or any firearm components without proper guidance from a qualified gunsmith.
- Avoid using the firearm in adverse weather conditions that could affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded before beginning installation.
- Gather all necessary tools and components.

### 2. Installation:

- Remove the existing frame from your firearm according to the manufacturer's instructions.
- Carefully attach the VF Target Frame, ensuring that all components align correctly.
- Install the Accurizing Kit components (Extended Bolt Release, CNCmachined Target Trigger, wire EDMcut Target Hammer, and Target Sear) as per the provided instructions.
- Ensure that the CNCMachined Disconnect and Extended Safety are properly installed.

### 3. Final Checks:

- After installation, perform a function check to ensure all components are working correctly.
- Confirm that the trigger pull is clean and crisp at 2.25 lbs.
- Verify that there is no magazine disconnect present.

### 4. Usage:

- Always follow safe shooting practices when using your firearm.
- Regularly clean and maintain your VF Target Frame to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any unused or damaged parts according to local regulations.
- Ensure that any hazardous materials are handled and disposed of safely.
- If you no longer require the VF Target Frame, consider returning it to the manufacturer or a qualified gunsmith for proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the VF Target Frame or safety guidelines, please reach out to the manufacturer or your local firearms expert. Always ensure you have reliable support when handling firearms and related components.
