

V-Cut, Single-port Comp for LLV-4 - V-Cut, Single-port Comp for Mamba LLV, FDE

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

This compensator is specifically designed for the Volquartsen LLV upper. This will also fit the Volquartsen Scorpion or Black Mamba pistol. It is CNC-machined from a solid billet and then finished for durability.

This compensator matches the same profile of the LLV and uses a knurled nut to secure to the muzzle threads. Pin wrench for installation is included.

VCut Singleport Compensator Safety Instructions

Introduction

Thank you for choosing the VCut Singleport Compensator for your Volquartsen LLV upper. This guide provides essential safety instructions to ensure the safe and effective use of your compensator. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always handle your firearm and accessories with care and in a safe manner.
- Ensure that the compensator is compatible with your firearm model (LLV, Scorpion, or Black Mamba).
- Inspect the compensator regularly for any signs of wear or damage.
- Keep the compensator and all firearm accessories out of reach of children.
- Do not use the compensator if it shows any signs of damage or malfunction.
- Always follow local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the compensator.
- Use the included pin wrench for secure installation; do not overtighten.
- Be aware that modifications to your firearm may affect its performance and safety.
- Do not exceed the manufacturer's recommended limits for ammunition when using the compensator.
- Always wear appropriate eye and ear protection when shooting.
- Keep your hands and face away from the muzzle during installation and usage.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the pin wrench provided with the compensator.

2. Installation

- Remove the existing muzzle device from your firearm if applicable.
- Clean the muzzle threads to ensure a secure fit.
- Align the compensator with the muzzle threads, ensuring it is seated properly.
- Use the pin wrench to tighten the knurled nut securely, but do not overtighten to avoid damaging the threads.

3. Usage

- Before firing, doublecheck that the compensator is securely attached.
- Fire the firearm in a safe environment, adhering to all local laws and regulations.
- After use, inspect the compensator for any signs of wear or damage.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal and firearm accessories.
- Do not discard the compensator in regular household waste if it is damaged or unusable.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the VCut Singleport Compensator, please consult the manufacturer or your local dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the VCut Singleport Compensator!
