

V-Cut, Single-port Comp for LLV-4 - V-Cut, Single-port Comp for Mamba LLV, OD Green

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

This compensator is specifically designed for the Volquartsen LLV upper. This will also fit the Volquartsen Scorpion or Black Mamba pistol. It is CNC-machined from a solid billet and then finished for durability.

This compensator matches the same profile of the LLV and uses a knurled nut to secure to the muzzle threads. Pin wrench for installation is included.

VCut Singleport Comp for LLV4 Safety Instruction Guide

Introduction

Thank you for choosing the VCut Singleport Comp for LLV4. This product is designed to enhance the performance of your Volquartsen LLV upper, as well as the Volquartsen Scorpion and Black Mamba pistols. To ensure safe and effective use of this compensator, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that the firearm is unloaded before installation or maintenance.
- Store the compensator and all firearm accessories out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use.
- If you notice any irregularities, do not use the product and contact the manufacturer.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Be aware of your surroundings and ensure the area is safe before using your firearm.

Specific Safety Precautions for Use

- Only use the VCut Singleport Comp with compatible models: Volquartsen LLV, Scorpion, and Black Mamba uppers.
- Do not attempt to modify or alter the compensator in any way.
- Ensure that the compensator is securely attached to the muzzle threads before use.
- Use the included pin wrench for installation to avoid damage to the compensator or firearm.
- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Be cautious of muzzle rise and recoil when using the compensator, as it may affect shooting dynamics.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the included pin wrench.

2. Installation:

- Locate the muzzle threads on your Volquartsen LLV, Scorpion, or Black Mamba upper.
- Align the compensator with the muzzle threads.
- Carefully screw the compensator onto the threads until it is handtight.
- Use the pin wrench to further tighten the compensator securely, ensuring it is properly aligned.

3. Usage:

- After installation, conduct a function check to ensure that the compensator is securely attached.
- Fire the firearm in a safe and controlled environment, monitoring for any signs of malfunction or instability.
- If any issues arise, stop using the firearm immediately and inspect the installation.

4. Maintenance:

- Regularly check the compensator for signs of wear or damage.
- Clean the compensator according to the manufacturer's recommendations to ensure optimal performance.

Disposal Instructions

- Dispose of the VCut Singleport Comp in accordance with local regulations for metal products.
- Do not dispose of the compensator in regular household waste. Instead, take it to a designated recycling facility or contact local waste management for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the VCut Singleport Comp for LLV4, please contact the manufacturer directly. Ensure you have the product details and any relevant information ready for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your VCut Singleport Comp for LLV4. Thank you for prioritizing safety and compliance with EU regulations.
