

SureFeed Magazine Follower Spring Ruger MKIII and MK IV - SureFeed Magazine Follower Spring for the Ruger MKII, MKIII, and MK IV, 2-pack

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#)

The SureFeed Magazine Follower Spring for the Ruger MKIII and MK IV is 25% stronger than the factory spring. The increased spring rate improves feeding in all Ruger MKIII and MK IV magazines. The SureFeed Magazine Follower Spring will eliminate feeding issues caused by the round either being stuck or slow to feed from the magazine. This happens during both slow and rapid fire.

SureFeed Magazine Follower Spring Safety Instructions

Introduction

Thank you for choosing the SureFeed Magazine Follower Spring for your Ruger MKIII and MK IV. This product is designed to enhance the performance of your magazines by providing a stronger spring for improved feeding. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is compatible with your Ruger MKIII or MK IV before installation.
- Always handle firearms and firearm accessories with care and follow all safety protocols.
- Store the product in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the spring for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the spring or use it in a manner not intended by the manufacturer.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or removing the magazine follower spring.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you experience any feeding issues, cease use immediately and inspect the magazine and spring.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure that your Ruger MKIII or MK IV is unloaded and pointed in a safe direction.
2. **Remove the Magazine:** Detach the magazine from the firearm.
3. **Disassemble the Magazine:** Carefully disassemble the magazine according to the manufacturer's instructions.
4. **Replace the Spring:**
 - Remove the old follower spring.
 - Insert the new SureFeed Magazine Follower Spring into the magazine.
5. **Reassemble the Magazine:** Follow the manufacturer's instructions to reassemble the magazine.
6. **Test Functionality:** Insert the magazine back into the firearm and perform a functionality test to ensure proper feeding.

Usage

- Use the SureFeed Magazine Follower Spring as a direct replacement for the factory spring.
- Regularly check the functionality of the magazine and spring during use.
- If you encounter feeding issues, inspect the magazine and spring for any obstructions or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the spring in regular household waste. Instead, consider recycling options if available.
- Ensure that any discarded parts are out of reach of children and pets.

Contact Information for Further Support

For any inquiries regarding safety or functionality, please reach out to your local retailer or the manufacturer directly. Always refer to the product packaging for specific contact details.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SureFeed Magazine Follower Spring for your Ruger MKIII and MK IV. Always prioritize safety and adhere to local laws and regulations regarding firearm use. Thank you for your attention to these important guidelines.
