

SureFeed Magazine Follower Spring Ruger MKIII and MK IV - SureFeed Magazine Follower Spring for the Ruger MKII, MKIII, and MK IV, 5-pack

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#)

Die SureFeed Magazine Follower Spring für die Ruger MKIII und MK IV ist 25% stärker als die Werksfeder. Die erhöhte Federrate verbessert die Zuführung in allen Ruger MKIII und MK IV Magazinen. Die SureFeed Magazine Follower Spring beseitigt Zuführungsprobleme, die dadurch entstehen, dass die Patrone entweder stecken bleibt oder nur langsam aus dem Magazin gezogen wird. Dies geschieht sowohl bei langsamen als auch bei schnellen Schüssen.

SureFeed Magazine Follower Spring Safety Instructions

Introduction

Thank you for purchasing the SureFeed Magazine Follower Spring for Ruger MKIII and MK IV. This product is designed to enhance the performance of your Ruger magazines by providing a stronger spring mechanism. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any maintenance or modifications.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible damage before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

Specific Safety Precautions for Use

- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify the spring or any part of the magazine follower.
- Be aware of the potential for malfunction if the spring is not installed correctly.
- Always test the firearm in a safe environment after installation to ensure proper functionality.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Ruger MKIII or MK IV is unloaded and the magazine is removed.
- Gather necessary tools, such as a flathead screwdriver if needed.

2. Installation:

- Remove the existing magazine follower spring from the magazine.
- Carefully insert the SureFeed Magazine Follower Spring into the magazine, ensuring it is oriented correctly.
- Reinstall the magazine follower in accordance with the manufacturer's instructions.
- Replace the magazine base plate and ensure it is securely in place.

3. Usage:

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm, ensuring it is fully engaged.
- Perform a function check to ensure the firearm operates correctly with the new spring.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components if available.

Contact Information for Further Support

For any questions or concerns regarding the SureFeed Magazine Follower Spring, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you will ensure a safer and more reliable experience with your SureFeed Magazine Follower Spring. Thank you for choosing our product and for your commitment to safety.
