

# LLV-4X, 4.5" - Mamba-X LLV for Ruger MK IV, 4.5", w/out Comp

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper has it all for your Ruger MK IV. Not only is it extremely lightweight and well-balanced, but the accuracy is even better. How do we do that? We use a Type III hard anodized machined aluminum receiver to reduce the weight but then fit it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are unlike other lightweight designs. Even though it is lightweight, it still features a stainless steel breech to withstand the rigors of competitive shooting.

- Compatible with the following optics:
  - Burris Fast Fire
  - C-More RTS 2
  - C-More Slide Ride
  - JP Enterprises JPoint

# LLV4X Safety Instruction Guide

## Introduction

Thank you for choosing the LLV4X upper for your Ruger MK IV. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully to familiarize yourself with the safety measures and operational procedures.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use; however, improper handling can lead to accidents. Always follow the safety guidelines.
- **Enhanced Recalls:** In case of any safety concerns, recall notices will be provided. Please ensure you stay informed about any updates.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety regulations just as physical stores do.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual thoroughly before using the product.
- **Wear Protective Gear:** Use appropriate safety gear, including eye protection and hearing protection, when operating the firearm.
- **Check for Damage:** Inspect the upper for any signs of damage before installation and use. Do not use if damaged.
- **Avoid Modifications:** Do not modify the upper or any components, as this can lead to unsafe conditions.
- **Keep Out of Reach:** Store the product in a secure location away from children and unauthorized users.
- **Follow Local Laws:** Ensure that you comply with all local laws and regulations regarding firearm use and ownership.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the LLV4X upper with the Ruger MK IV receiver.
- Secure the upper using the provided screws, ensuring they are tightened properly.
- Install any optics as per the manufacturer's instructions, using the preinstalled filler screws on all optic mounting holes.

### 2. Usage:

- Always handle the firearm as if it is loaded.
- Before firing, ensure the area is clear of obstructions and that you have a safe backdrop.
- Use only compatible optics as listed in the product description to ensure proper functionality.
- Regularly check the upper for wear and tear, especially after extensive use.

### 3. PostUsage:

- Clean the upper after use according to the manufacturer's cleaning instructions.
- Store the firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any additional questions or concerns regarding the LLV4X upper, please refer to the appropriate support channels. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your LLV4X upper. Thank you for your attention to safety.
