

# LLV-4X, 4.5" - Mamba-X LLV for Ruger MK IV, 4.5", No Threads

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper has it all for your Ruger MK IV. Not only is it extremely lightweight and well-balanced, but the accuracy is even better. How do we do that? We use a Type III hard anodized machined aluminum receiver to reduce the weight but then fit it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are unlike other lightweight designs. Even though it is lightweight, it still features a stainless steel breech to withstand the rigors of competitive shooting.

# LLV4X Safety Instruction Guide

## Introduction

Thank you for choosing the LLV4X upper for your Ruger MK IV. This safety instruction guide is designed to provide you with important information regarding the safe use, installation, and disposal of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly to ensure safe and effective use of your new product.

## General Safety Guidelines

- **Product Safety:** The LLV4X is designed for safe use. Ensure that you adhere to all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. You can check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to physical stores.
- **Vulnerable Groups:** Keep this product out of reach of children and ensure that it is used only by individuals familiar with firearm safety.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for rapid updates on unsafe products.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the LLV4X upper.
- Always wear appropriate eye and ear protection when using the firearm.
- Check for compatibility with your Ruger MK IV model before installation.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm use and modifications.
- Use only recommended optics to ensure safety and performance.
- Avoid using the product in adverse weather conditions that may affect performance.
- Ensure that all screws and fittings are securely tightened before use.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure the firearm is unloaded and in a safe environment.
2. **Remove Existing Upper:** Detach the existing upper from your Ruger MK IV by following the manufacturer's instructions.
3. **Attach LLV4X Upper:**
  - Align the LLV4X upper with the receiver.
  - Securely fasten using the provided screws. Ensure all screws are tight.
4. **Install Optics:**
  - Attach your chosen optic using the preinstalled filler screws on all mounting holes.
  - Ensure the optic is securely mounted and aligned.
5. **Final Inspection:** Doublecheck that all components are securely attached and there are no loose parts.

### Usage Instructions

- Always ensure the firearm is pointed in a safe direction when handling.
- Familiarize yourself with the operation of the LLV4X upper before use.
- Conduct a test fire in a controlled environment to ensure proper function.
- Regularly maintain and clean the upper to ensure optimal performance.

## **Disposal Instructions**

- When the LLV4X upper reaches the end of its life, dispose of it in accordance with local regulations for hazardous materials.
- Do not dispose of in regular household waste.
- Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the LLV4X upper, please refer to the manufacturer's customer support resources or the EU contact point provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LLV4X upper. Thank you for prioritizing safety.
