

# Mamba-X LLV for Ruger MK IV, 6", w/out comp

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper is perfect for your Ruger MK IV. Not only is it extremely light and well balanced, but the accuracy is even better. Not only is it extremely light and well balanced, the accuracy is even better. We use a hard anodized, machined Type III aluminum barrel to reduce weight, and then finish it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are different from other lightweight designs. Despite its light weight, it features a stainless steel breech that can withstand the rigors of shooting sports.

Compatible with the following optics:

Burris Fast Fire

C-More RTS 2

C-More Slide Ride

JP Enterprises JPoint

Leupold DeltaPoint

Shield Sights Mini Sight

Sig Sauer Romeo 1 Pro

Sig Sauer Romeo 3 Max

Sig Sauer Romeo 3 XL

Trijicon RMR

Vortex Viper

Vortex Venom

Vortex Razor

Includes pre-installed filler screws for all optic mounting holes.

Type III hard anodized aluminum case

# MambaX LLV for Ruger MK IV Safety Instruction Guide

## Introduction

Thank you for choosing the MambaX LLV for Ruger MK IV, 6". This product is designed to enhance your shooting experience with improved accuracy and a lightweight construction. However, as with any firearm accessory, it is essential to understand and follow safety guidelines to ensure safe usage. This guide provides important safety information, installation instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat the MambaX LLV as if it is loaded.
- Keep the MambaX LLV out of reach of children and unauthorized users.
- Ensure you are familiar with the Ruger MK IV firearm before attaching the MambaX LLV.
- Use only compatible optics as specified in the product description.
- Always wear appropriate eye and ear protection when using the firearm.
- Do not modify the MambaX LLV in any way that could compromise its safety or performance.
- Regularly inspect the MambaX LLV for signs of wear, damage, or corrosion.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to accidents or malfunctions.
- Using incompatible optics could result in inaccurate shooting.

- **Avoiding Hazards:**

- Ensure the firearm is unloaded before installation or maintenance.
- Follow the installation instructions carefully to avoid improper fitting.
- Do not attempt to use the MambaX LLV without first ensuring it is securely attached to the Ruger MK IV.

- **Warnings:**

- This product is intended for use by individuals aged 18 and older.
- Always ensure that the firearm is pointed in a safe direction when handling.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Ruger MK IV is unloaded and safe to handle.
- Remove the existing upper receiver if applicable.
- Align the MambaX LLV with the lower receiver and ensure it fits snugly.
- Secure the MambaX LLV using the provided screws and tools. Ensure all screws are tightened properly.
- Check that the optic mounting holes are clear and install your chosen optic using the preinstalled filler screws.

## 2. Usage:

- After installation, perform a function check to ensure everything operates correctly.
- Load the firearm only when you are ready to shoot.
- Follow the manufacturer's instructions for the optic you have installed.
- Always shoot in a controlled environment and be aware of your surroundings.

## Disposal Instructions

- Dispose of the MambaX LLV in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods for firearm accessories.

## Contact Information for Further Support

For any questions or concerns regarding the MambaX LLV for Ruger MK IV, please refer to the manufacturer's website or contact your retailer for assistance. Always ensure you have the latest information regarding recalls or safety notices related to this product.

By following these guidelines, you can ensure a safe and enjoyable experience with your MambaX LLV for Ruger MK IV. Stay safe and responsible while enjoying your shooting activities.
