

Mamba-X LLV for Ruger MK IV, 6", No Threads

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper is perfect for your Ruger MK IV. Not only is it extremely light and well balanced, but the accuracy is even better. Not only is it extremely light and well balanced, the accuracy is even better. We use a hard anodized, machined Type III aluminum barrel to reduce weight, and then finish it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are different from other lightweight designs. Despite its light weight, it features a stainless steel breech that can withstand the rigors of shooting sports.

Compatible with the following optics:

Burris Fast Fire

C-More RTS 2

C-More Slide Ride

JP Enterprises JPoint

Leupold DeltaPoint

Shield Sights Mini Sight

Sig Sauer Romeo 1 Pro

Sig Sauer Romeo 3 Max

Sig Sauer Romeo 3 XL

Trijicon RMR

Vortex Viper

Vortex Venom

Vortex Razor

Includes pre-installed filler screws for all optic mounting holes.

Type III hard anodized aluminum case

MambaX LLV for Ruger MK IV, 6" Safety Instruction Guide

Introduction

Thank you for choosing the MambaX LLV for Ruger MK IV, 6". This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always treat the firearm with respect and handle it as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely when not in use, out of reach of children and unauthorized users.
- Use only compatible optics as specified in the product description.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the firearm.
- Do not exceed the manufacturer's recommended specifications for ammunition.
- Avoid using the firearm in adverse weather conditions that may affect performance.
- Ensure that the firearm is clean and wellmaintained to prevent malfunctions.
- Use caution when attaching or detaching optics to avoid damaging the mounting holes.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.

Instructions for Installation and Usage

Installation of the MambaX LLV Upper

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a screwdriver for the filler screws.

2. Remove the Existing Upper:

- Follow the manufacturer's instructions to safely detach the existing upper from the Ruger MK IV.

3. Attach the MambaX LLV Upper:

- Align the MambaX LLV upper with the lower receiver.
- Secure the upper by tightening the screws provided. Ensure they are snug but do not overtighten.

4. Install Optics:

- Choose a compatible optic from the list provided.
- Use the preinstalled filler screws to mount the optic securely.
- Ensure that the optic is aligned properly for optimal accuracy.

5. Final Checks:

- Inspect the installation to ensure all components are secure.
- Conduct a function check to confirm that the firearm operates correctly.

Usage Instructions

- Familiarize yourself with the operation of the firearm and the MambaX LLV upper before use.
- Practice safe handling techniques at all times.
- Regularly clean and maintain the upper and the firearm to ensure longevity and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, seek guidance from local waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact points available on their official website or product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MambaX LLV for Ruger MK IV, 6". Thank you for your attention to safety.
