

# Mamba LLV for Ruger MK IV, 4.5", Target Sights

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper has it all for your Ruger MK IV. Not only is it extremely lightweight and well-balanced, but the accuracy is even better. We use a Type III hard anodized machined aluminum receiver to reduce the weight but then fit it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are unlike other lightweight designs. Even though it is lightweight, it still features a stainless steel breech to withstand the rigors of competitive shooting.

Type III hard anodized aluminum receiver

Stainless match barrel

Fits all Ruger MK IV and MK IV 22/45 Models

# Mamba LLV for Ruger MK IV Safety Instruction Guide

## Introduction

Thank you for choosing the Mamba LLV for your Ruger MK IV. This safety instruction guide aims to provide you with essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective use of your new upper.

## General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when using your firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely when not in use, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Wear appropriate protective gear, including eye and ear protection, when using your firearm.
- Regularly inspect your firearm and accessories for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure the Mamba LLV upper is securely attached to the Ruger MK IV before use.
- Do not exceed the recommended ammunition specifications for the firearm.
- Be cautious of the muzzle when loading and unloading the firearm.
- Avoid using the firearm in adverse weather conditions that may affect its performance.
- Do not modify the Mamba LLV upper or any of its components.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing upper from the Ruger MK IV by following the manufacturer's instructions.
- Align the Mamba LLV upper with the lower receiver of the Ruger MK IV.
- Securely attach the upper, ensuring it is properly locked in place.
- Check that the breech is clear before proceeding.

### 2. Usage:

- Load the firearm with appropriate ammunition.
- Always check the firearm for obstructions before firing.
- Use the target sights to aim accurately at your target.
- Fire in controlled bursts and monitor the firearm's performance for any irregularities.

## Disposal Instructions

- Dispose of the Mamba LLV upper and any associated components in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Mamba LLV for Ruger MK IV, please consult the manufacturer's website or contact their customer support team for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Mamba LLV upper. Thank you for your attention to safety!
