

LLV-4, 6", Black - VOLQUARTSEN Mamba LLV for Ruger MK IV, 6", Comp and Target Sights

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper has it all for your Ruger MK IV. Not only is it extremely lightweight and well-balanced, but the accuracy is even better. We use a Type III hard anodized machined aluminum receiver to reduce the weight but then fit it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are unlike other lightweight designs. Even though it is lightweight, it still features a stainless steel breech to withstand the rigors of competitive shooting.

Type III hard anodized aluminum receiver
Stainless match barrel
Fits all Ruger MK IV and MK IV 22/45 Models

Safety Instruction Guide for LLV4, 6", Black VOLQUARTSEN Mamba LLV for Ruger MK IV

Introduction

Thank you for choosing the LLV4, 6", Black VOLQUARTSEN Mamba LLV for Ruger MK IV. This product is designed for competitive shooting and offers a lightweight and wellbalanced upper assembly. To ensure your safety and the safety of others, please read and follow these instructions carefully.

General Safety Guidelines

- Always treat this product as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for this product.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the Ruger MK IV before attaching the LLV4 upper.
- Always wear appropriate safety gear, including eye and ear protection, when using the product.
- Do not modify or alter the product in any way.
- Only use the product in a controlled environment, such as a designated shooting range.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before shooting.
- Keep your finger off the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Installation of the LLV4 Upper:

- Ensure the Ruger MK IV is unloaded and pointed in a safe direction.
- Remove the existing upper assembly from the Ruger MK IV according to the manufacturer's instructions.
- Align the LLV4 upper with the lower receiver and ensure it is securely attached.
- Check that all screws and fasteners are tightened to the manufacturer's specifications.

2. Usage Instructions:

- Load the firearm only when you are in a safe shooting area.
- Always check that the muzzle is clear before firing.
- Use the target sights to aim accurately.
- After shooting, ensure the firearm is unloaded and store it safely.

Disposal Instructions

- Dispose of any product packaging in accordance with local waste management regulations.
- If the product is damaged beyond repair, consult local guidelines for the disposal of firearms and related components.
- Ensure that all components are disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the LLV4, 6", Black VOLQUARTSEN Mamba LLV for Ruger MK IV, please consult the manufacturer's website or customer service for support.

Thank you for prioritizing safety. Enjoy your shooting experience with the LLV4!
