

# Mamba LLV for Ruger MK IV, 4.5" - Mamba-X LLV for Ruger MK IV, 4.5"

[Handgun Parts](#) > [Frame Parts](#) > [Handgun Receivers](#)

This upper has it all for your Ruger MK IV. Not only is it extremely lightweight and well-balanced, but the accuracy is even better. We use a Type III hard anodized machined aluminum receiver to reduce the weight but then fit it with a stainless steel match barrel.

Our Mamba LLV Competition Uppers are unlike other lightweight designs. Even though it is lightweight, it still features a stainless steel breech to withstand the rigors of competitive shooting.

Type III hard anodized aluminum receiver  
Stainless match barrel  
Fits all Ruger MK IV and MK IV 22/45 Models

# Mamba LLV for Ruger MK IV Safety Instruction Guide

## Introduction

Thank you for choosing the Mamba LLV for Ruger MK IV, 4.5". This product is designed to provide you with a lightweight and accurate upper for your Ruger MK IV. To ensure safe and effective use, please read this safety instruction guide carefully. Adhering to these guidelines will help you avoid potential hazards and ensure a safe shooting experience.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use only the correct ammunition specified for your firearm.
- Regularly inspect your firearm and its components for wear or damage.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the Mamba LLV upper is properly installed on the Ruger MK IV before use.
- Always wear appropriate eye and ear protection while shooting.
- Check that the muzzle is clear of obstructions before firing.
- Do not modify the Mamba LLV upper or any other components of your firearm.
- Be aware of your surroundings and ensure that the shooting area is safe and free of people or animals.
- If you experience any malfunctions, cease firing immediately and inspect the firearm.

## Instructions for Installation and Usage

### Installation

1. Ensure that your Ruger MK IV is unloaded and pointed in a safe direction.
2. Remove the existing upper from your Ruger MK IV by following the manufacturer's instructions.
3. Align the Mamba LLV upper with the lower receiver of the Ruger MK IV.
4. Securely attach the Mamba LLV upper to the lower receiver, ensuring it is locked in place.
5. Verify that the installation is complete and that all components are secure before proceeding.

### Usage

- Load the firearm only when you are at the shooting range or in a safe shooting environment.
- Follow all local laws and regulations regarding firearm use.
- Maintain proper shooting posture and grip while using the Mamba LLV upper.
- After shooting, clean and maintain the upper according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the Mamba LLV upper and any related components in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it. Instead, follow proper disposal methods for firearms and firearm components.
- Contact your local waste management facility for guidance on the disposal of hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Mamba LLV for Ruger MK IV, please refer to the manufacturer's website or contact your local dealer for assistance.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Mamba LLV for Ruger MK IV. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
