

# Lead Pulverizer

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Lead Remover](#)

Wouldn't you agree that pistol compensators are not much fun to clean? Maybe you're even guilty of letting it go just a little longer than you should...or in some cases much longer than you should. It's no secret that comp cleaning can become a long tedious process, which involves soaking the comp, breaking away the build up, and then depending on how bad it is repeating the process several more times.

We are always looking for ways to reduce maintenance so you can spend more time on the range and less time at the cleaning bench. The perfect solution for comp cleaning is our new Lead Pulverizer.

This tool is only compatible with our pistol comps for LLV, Scorpion, and Black Mamba.

## Attributes

- Name: [Lead Pulverizer](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231139
- Mfr. No.: VC4LP
- Make: Ruger
- Material: 416 Stainless Steel

# Lead Pulverizer Safety Instruction Guide

## Introduction

Congratulations on your purchase of the Lead Pulverizer! This innovative tool is designed to simplify the cleaning process of pistol compensators, specifically for Ruger models LLV, Scorpion, and Black Mamba. This guide provides essential safety instructions to ensure safe and effective use of the Lead Pulverizer in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the entire instruction manual before using the Lead Pulverizer.
- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Keep the Lead Pulverizer out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles while using the Lead Pulverizer.
- Ensure that the workspace is clean and free from any obstructions that may pose a hazard.
- Avoid using the Lead Pulverizer in wet or damp conditions to prevent electrical hazards.
- Do not attempt to modify or alter the Lead Pulverizer in any way.
- Follow all cleaning and maintenance instructions to ensure the longevity and effectiveness of the tool.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Tool:** Carefully remove the Lead Pulverizer from its packaging, taking care not to damage any parts.
2. **Inspect for Damage:** Check for any visible damage or missing parts. If any issues are found, do not use the tool and contact the manufacturer.
3. **Prepare the Workspace:** Set up a clean, dry workspace with adequate lighting.

### Usage

1. **Preparation:** Ensure the pistol compensator is cool and free from any ammunition.
2. **Soaking:** Place the compensator into a suitable cleaning solution as recommended by the manufacturer. Allow it to soak for the recommended time.
3. **Using the Lead Pulverizer:**
  - Position the Lead Pulverizer over the compensator.
  - Apply gentle pressure while moving the tool to break away any buildup.
  - Repeat the soaking and cleaning process if necessary, depending on the level of residue.
4. **Final Cleaning:** After cleaning, rinse the compensator thoroughly to remove any cleaning solution and debris.
5. **Drying:** Allow the compensator to dry completely before reassembly.

## Disposal Instructions

- Dispose of any cleaning solutions and materials according to local regulations.
- Do not dispose of the Lead Pulverizer in regular household waste. Instead, check for local recycling

- programs or hazardous waste disposal facilities.
- Ensure that all packaging materials are disposed of responsibly.

## Contact Information for Further Support

For any inquiries regarding the Lead Pulverizer, please refer to the manufacturer's website or contact their customer support team.

Thank you for choosing the Lead Pulverizer! We hope this tool enhances your cleaning experience and allows you to spend more time on the range.
