

Extended Magazine Release for MK IV 22/45

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

The MK IV 22/45 Magazine Release protrudes further from the frame than the original. This allows for faster and more comfortable magazine ejection.

The release works with the factory magazines. However, since the magazine sits higher, it is highly recommended to use the magazine release in conjunction with our Magazine Base Pads.

Please note: when using our release with factory magazines and base pads, that the magazine will sit just above flush on the bottom of the frame.

Extended Magazine Release for MK IV 22/45

Safety Instruction Guide

Introduction

Thank you for choosing the Extended Magazine Release for MK IV 22/45. This product is designed to enhance your shooting experience by providing a more comfortable and efficient magazine ejection process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and this product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Follow all local laws and regulations regarding firearm use and accessories.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- This magazine release is designed for use with Ruger MK IV 22/45 factory magazines only. Using incompatible magazines may result in malfunction.
- When using the magazine release with factory magazines and base pads, be aware that the magazine may sit just above flush on the bottom of the frame. This is normal but requires careful handling.
- Avoid using excessive force when operating the magazine release to prevent damage to the product or firearm.
- Ensure that the firearm is completely unloaded before installing or removing the magazine release.
- Use caution when handling the firearm, especially when changing magazines.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Original Magazine Release:** Using appropriate tools, carefully remove the original magazine release from the firearm.
3. **Install the Extended Magazine Release:**
 - Align the new magazine release with the frame of the firearm.
 - Gently press the release into place until it is securely fitted.
4. **Test the Release:** After installation, test the functionality to ensure it operates smoothly and securely.

Usage

- To eject the magazine, press the extended magazine release with your thumb.
- Allow the magazine to drop freely from the firearm.
- Always check the chamber to ensure that the firearm is clear before handling or storing.

Disposal Instructions

- Dispose of the product responsibly. Follow local regulations for disposal of metal and plastic materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Extended Magazine Release for MK IV 22/45, please refer to the manufacturer's contact information provided with your product packaging. It is essential to reach out to a qualified professional for assistance.

By following these guidelines, you can ensure safe and effective use of your Extended Magazine Release for MK IV 22/45. Thank you for prioritizing safety in your shooting activities.
