

Extended Magazine Release for MK IV 22/45 - Extended Magazine Release and Base Pad Kit for MK IV 22/45, 5-pack

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Extended Magazine Release:

The MK IV 22/45 Magazine Release protrudes further from the frame than the original. This allows for faster and more comfortable magazine ejection.

The release works with the factory magazines. However, since the magazine sits higher, it is highly recommended to use the magazine release in conjunction with our Magazine Base Pads.

Please note: when using our release with factory magazines and base pads, that the magazine will sit just above flush on the bottom of the frame.

Basepad:

Magazine Base Pads for the MK IV 22/45 make inserting and removing magazines faster and easier - for lightning fast reloads. CNC machined from billet aluminum. Magazines can be changed with ease.

These pads work with factory magazines and also convert any Ruger MKIII magazine to a Ruger MK IV 22/45 magazine.

Extended Magazine Release for MK IV 22/45

Safety Instructions

Introduction

Thank you for choosing the Extended Magazine Release and Base Pad Kit for your MK IV 22/45. This product is designed to enhance your shooting experience by providing faster and more comfortable magazine ejection. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure safe use of the Extended Magazine Release and Base Pad Kit by following these guidelines:
 - Always treat firearms as if they are loaded.
 - Keep your finger off the trigger until you are ready to shoot.
 - Store the product in a secure location, out of reach of children.
 - Regularly inspect your product for any signs of wear or damage.
 - Do not modify the product in any way that could compromise safety.

Specific Safety Precautions for Use

- When using the Extended Magazine Release:
 - Be aware that the magazine release protrudes further from the frame than the original, which may require adjustment in handling.
 - Use the magazine release in conjunction with the Magazine Base Pads for optimal performance.
 - Ensure that the magazine is seated properly before attempting to fire.
 - If you experience any issues with magazine ejection or insertion, stop using the product immediately and consult a qualified gunsmith.
- When using the Magazine Base Pads:
 - Ensure that the base pads are securely attached to the magazines before use.
 - Do not exceed the recommended number of rounds in the magazines to avoid jamming.
 - Always check that the magazine is compatible with your firearm.

Instructions for Installation and Usage

- To install the Extended Magazine Release:
 1. Ensure your firearm is unloaded and pointed in a safe direction.
 2. Remove the original magazine release from the MK IV 22/45 frame.
 3. Align the Extended Magazine Release with the mounting point on the frame.
 4. Securely fasten the release in place according to the manufacturer's instructions.
- To install the Magazine Base Pads:
 1. Ensure your magazines are unloaded.
 2. Align the base pad with the bottom of the magazine.
 3. Press the base pad firmly until it clicks into place.
 4. Verify that the base pad is securely attached before use.

Disposal Instructions

- Dispose of any damaged or unusable products in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility or a hazardous waste collection point.

Contact Information for Further Support

For any questions or concerns regarding the Extended Magazine Release and Base Pad Kit, please consult the manufacturer's website or contact customer support for assistance. Ensure that you have the product information available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Extended Magazine Release and Base Pad Kit for the MK IV 22/45. Always prioritize safety and responsible handling of your firearm.
