# Pistol Competition Kit for MK IV Safety Instructions

## Introduction

Thank you for purchasing the Pistol Competition Kit for MK IV. This guide provides important safety information and instructions to ensure your safe and effective use of this product. Please read all sections carefully before using the kit.

## General Safety Guidelines

- Ensure you are familiar with the operation of your MK IV pistol before using the kit.
- Always treat the firearm as if it is loaded, even if you believe it is not.
- Store the kit and any firearm in a secure location, out of reach of children and unauthorized users.
- Only use the kit in accordance with the manufacturer's instructions.
- Regularly inspect the kit for any signs of wear or damage. Do not use if any components are damaged.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This kit is designed for use by individuals who are at least 18 years old and have experience with firearms.
- Always wear appropriate eye and ear protection when using the firearm.
- Ensure that you are in a safe environment when handling the firearm, away from bystanders and obstacles.
- Do not modify the kit or any firearm components beyond the manufacturer's specifications.
- Avoid using the kit under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Installation of the MK IV Accurizing Kit:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's instructions.
- Follow the specific instructions included with the Accurizing Kit to replace or adjust components as necessary.
- Reassemble the firearm carefully, ensuring all parts are correctly installed.

### 2. Installation of the Bolt TuneUp Kit:

- Confirm that the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm as per the manufacturer's guidelines.
- Install the components of the Bolt TuneUp Kit according to the provided instructions.
- Reassemble the firearm, checking that all parts are fitted properly.

### 3. Usage:

- After installation, test the trigger pull in a safe environment.
- Use the firearm only in designated shooting areas or ranges.
- Follow all local laws and regulations regarding firearm use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If any components of the kit become unusable, follow your local regulations for the disposal of firearmrelated materials.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the Pistol Competition Kit for MK IV, please refer to the manufacturer's website or customer service resources.

By following these guidelines and instructions, you can help ensure a safe and enjoyable experience with your Pistol Competition Kit for MK IV. Thank you for your attention to safety.
