# Pistol Competition Kit for MK IV Safety Instructions

## Introduction

Thank you for purchasing the Pistol Competition Kit for MK IV. This kit is designed to enhance the performance of your MK IV pistol, ensuring a crisp and clean 2.25 trigger pull. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all safety precautions are followed when using the Pistol Competition Kit.
- Store the kit in a safe location, out of reach of children and unauthorized users.
- Always handle firearms with care and follow standard firearm safety practices.
- Be aware of your surroundings and ensure that you are in a safe environment when using your pistol.
- Regularly check the kit and its components for wear or damage, and replace any damaged parts immediately.

## Specific Safety Precautions for Use

- Use only the components included in the Pistol Competition Kit to avoid compatibility issues.
- Do not modify any parts of the kit unless instructed to do so in the installation guide.
- Always wear appropriate eye and ear protection when using the pistol.
- Ensure the pistol is unloaded before beginning any installation or maintenance work.
- Keep fingers away from the trigger until you are ready to shoot.
- If you experience any malfunctions or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Read the Instructions:** Before beginning installation, read all instructions carefully.
2. **Gather Tools:** Ensure you have the necessary tools for installation, including screwdrivers and wrenches as specified in the kit.
3. **Prepare the Pistol:** Ensure the MK IV pistol is unloaded and pointed in a safe direction.
4. **Remove Existing Parts:** Carefully remove any existing trigger components as per the instructions included in the kit.
5. **Install the Accurizing Kit:** Follow the stepbystep instructions to install the MK IV Accurizing Kit. Ensure all components are securely fastened.
6. **Install the Bolt TuneUp Kit:** Follow the provided instructions to install the Bolt TuneUp Kit, ensuring proper alignment and fit.
7. **Check Functionality:** After installation, check the functionality of the trigger and bolt to ensure they operate smoothly.

### Usage

- After installation, familiarize yourself with the new trigger pull. Practice in a safe environment before engaging in competitive shooting.
- Regularly inspect the trigger pull and bolt operation to ensure continued safety and performance.
- Always follow local laws and regulations regarding the use of firearms and modifications.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If any components of the kit become damaged beyond repair, dispose of them safely to prevent any potential hazards.
- Do not throw away the kit in regular household waste; check for local hazardous waste disposal options if necessary.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided in the product packaging. It is important to have access to assistance if you encounter any issues or have questions about the product.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Pistol Competition Kit for MK IV. Remember to prioritize safety and compliance with all relevant regulations. Thank you for choosing our product.
