

# Summit Firing Pin and Extractor

[Rifle Parts](#) > [Bolt Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

The Summit Firing Pin and Extractor are designed for the Summit Straight Pull Toggle Bolt Action Rifle. This firing pin and extractor combination can be used to improve overall function in the Summit rifles originally built by Primary Weapons System (PWS). These are the same parts that are used on new Summit rifles produced by Volquartsen Firearms.

- Firing pin is made of titanium
- Firing pin spring included

# Summit Firing Pin and Extractor Safety Instruction Guide

## Introduction

Thank you for choosing the Summit Firing Pin and Extractor by Volquartsen. This product is designed to enhance the performance of the Summit Straight Pull Toggle Bolt Action Rifle. It is important to follow the safety guidelines and instructions provided in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Use only the specified parts and accessories for your Summit rifle to avoid malfunctions.
- Store the product in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the firing pin and extractor for wear or damage before use.
- If you notice any irregularities or issues, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the firing pin is properly installed before use. An improperly installed firing pin can cause malfunctions.
- Do not attempt to modify or alter the firing pin or extractor. Doing so may compromise safety and functionality.
- Always wear appropriate eye protection when using firearms.
- Be aware of your surroundings and ensure that you have a safe backdrop when firing.
- Do not use the firearm if you are under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing firing pin and extractor from the Summit rifle according to the manufacturer's instructions.
- Carefully install the Summit Firing Pin and Extractor in the designated locations.
- Ensure that the firing pin is seated correctly and that the extractor is secure.
- Replace any components removed during installation, ensuring they are properly secured.

### 2. Usage:

- After installation, perform a function check to ensure the firing pin and extractor are operating correctly.
- Load the firearm only after confirming that all components are installed correctly and securely.
- Follow all standard operating procedures for the use of your Summit rifle.

## Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact your local waste management facility for proper disposal methods.
- Ensure that the product is rendered unusable before disposal to prevent accidental use.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding the Summit Firing Pin and Extractor, please consult the product packaging or visit the manufacturer's website for support.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Summit Firing Pin and Extractor. Always prioritize safety and consult professionals when in doubt.
