Summit Receiver and Bolt Safety Instruction Guide

Introduction

Thank you for choosing the Summit Receiver and Bolt, crafted from highquality anodized aluminum. This product is designed for rimfire longrange shooting and features a CNCmachined receiver with an integral 20 MOA Picatinny rail. To ensure your safety and the safe operation of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always treat the Summit Receiver and Bolt as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition separately and securely.
- Ensure that the firearm is not accessible to children or unauthorized individuals.
- Regularly inspect the receiver and bolt for any signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are familiar with the operation of your firearm before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Avoid using the firearm in adverse weather conditions that could affect visibility or grip.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Do not attempt to modify or alter the Summit Receiver and Bolt in any way.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Check the Components:** Ensure all parts of the Summit Receiver and Bolt are present and undamaged.
2. **Mounting the Receiver:**
 - Place the receiver on a stable surface.
 - Align the receiver with the firearm's stock, ensuring proper fit.
 - Secure the receiver using the provided screws and tools, following the manufacturer's torque specifications.
3. **Attach the Bolt:**
 - Insert the bolt into the receiver.
 - Ensure it is seated properly and operates smoothly.
4. **Install Optics:** If applicable, attach your optics to the Picatinny rail following the manufacturer's instructions.

Usage

1. **Loading the Firearm:**
 - Ensure the firearm is pointed in a safe direction.
 - Load the appropriate ammunition into the magazine, following the manufacturer's guidelines.
 - Insert the magazine into the firearm until it clicks securely.

2. Firing:

- Check your surroundings to ensure it is safe to fire.
- Engage the safety mechanism if applicable.
- Aim at your target and fire following safe shooting practices.

3. PostFiring:

- After firing, always check to ensure the firearm is unloaded.
- Clean and maintain the receiver and bolt as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of any defective or damaged parts in accordance with local regulations.
- Do not discard the Summit Receiver and Bolt in regular household waste.
- Contact your local waste management authority for proper disposal methods of firearms and related components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the EUbased contact information provided with your product or consult the manufacturer's website.
