

Summit Rifle, 22 LR, with Brown Lightweight Thumbhole Stock

[Firearms](#) > [Rifles](#) > [Bolt Action](#)

The Volquartsen Summit bolt action is based on a concept originally developed by Primary Weapons Systems. The Volquartsen Summit represents the combination of their innovative design and 40+ years of our own rimfire experience,

Designed for both competition shooting as well as small game hunting, this unique rifle is a straight-pull bolt action inspired by the 10/22 style platform. The CNC-machined receiver features an integral 20 MOA Picatinny Rail, making it the perfect rifle for any rimfire long range shooting.

This innovative design is built for everyone from the junior just getting into shooting to the accomplished competitor. It features everything you could ask for.

Summit Rifle, 22 LR Safety Instruction Guide

Introduction

Thank you for choosing the Summit Rifle, 22 LR, with Brown Lightweight Thumbhole Stock. This guide provides essential safety instructions to ensure the safe and responsible use of your rifle. Please read and follow all instructions carefully to maximize safety and enjoyment.

General Safety Guidelines

- Always treat the rifle as if it is loaded, even when you believe it is not.
- Keep the rifle pointed in a safe direction at all times.
- Only load the rifle when you are ready to shoot and ensure the muzzle is pointed downrange.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what is beyond it.
- Store the rifle unloaded and locked in a secure location, out of reach of children and unauthorized users.
- Use appropriate safety gear, including eye and ear protection, when shooting.
- Regularly inspect the rifle for any signs of wear or damage. Do not use the rifle if it is damaged.
- Familiarize yourself with the rifle's operation before use.

Specific Safety Precautions for Use

- Ensure that only .22 LR ammunition is used with this rifle. Using incorrect ammunition can lead to malfunctions or serious injury.
- Do not attempt to modify or alter the rifle in any way.
- Avoid shooting in adverse weather conditions, such as strong winds or rain, which may affect your control and accuracy.
- Always ensure the area is clear of people and animals before firing.
- If you experience a misfire, keep the rifle pointed downrange for at least 30 seconds before attempting to unload it.
- Be cautious of the rifle's muzzle threads and ensure they are not obstructed.

Instructions for Installation and Usage

1. Unboxing the Rifle

- Carefully remove the rifle from the packaging.
- Check that all components are included and undamaged.

2. Loading the Rifle

- Ensure the rifle is pointed in a safe direction.
- Open the bolt to verify the chamber is clear.
- Insert a 10round magazine into the magazine well.
- Pull the bolt back to chamber a round.

3. Firing the Rifle

- Stand in a stable shooting position with feet shoulderwidth apart.
- Align your sights with the target.
- Gradually squeeze the trigger while maintaining your aim.

4. Unloading the Rifle

- After firing, open the bolt and remove the magazine.
- Visually inspect the chamber to ensure it is empty before handling the rifle further.

5. Cleaning and Maintenance

- Clean the rifle regularly to ensure optimal performance.
- Use a cleaning kit designed for .22 LR rifles and follow the manufacturer's instructions.

Disposal Instructions

- Dispose of any used ammunition and packaging in accordance with local regulations.
- If the rifle is no longer functional or is to be disposed of, contact a local gunsmith or authorized dealer for safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your Summit Rifle, please consult the manufacturer's website or contact your local authorized dealer. It is essential to have a reliable source for information and support regarding the safe use of your rifle.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Summit Rifle, 22 LR. Always prioritize safety and responsibility when handling firearms. Thank you for your commitment to safe shooting practices.
