

# Carbon Fiber THM Tension Barrel for 22 Charger with Forward Blow Comp

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The Lightweight THM Tension Barrel sets the standard for what a lightweight barrel should be. It features a sleeve that is used to create tension on the barrel itself. This unique design eliminates issues typically found in smaller barrel profiles. The THM tension barrel consists of a special taper honed match barrel and chamber. This is the ultimate lightweight barrel.

This barrel can be set up with 1/2x28 threads and fitted with any of our available compensators.

## Attributes

- Name: [Carbon Fiber THM Tension Barrel for 22 Charger with Forward Blow Comp](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231161

# Safety Instruction Guide for Carbon Fiber THM Tension Barrel for 22 Charger

## Introduction

Thank you for choosing the Carbon Fiber THM Tension Barrel for your 22 Charger. This guide provides important safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and the specific features of the Carbon Fiber THM Tension Barrel.
- Always handle firearms with care and keep them pointed in a safe direction.
- Use appropriate eye and ear protection when using your firearm.
- Store the barrel and all firearm components securely and out of reach of children.
- Regularly inspect the barrel for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Only use the Carbon Fiber THM Tension Barrel with compatible firearms, specifically the Ruger 22 Charger.
- Ensure that the barrel is properly installed and secured before use.
- Do not attempt to modify or disassemble the barrel. Any modifications can lead to unsafe conditions.
- Use only ammunition that is compatible with the Ruger 22 Charger and the specifications of the barrel.
- Be aware of the potential for increased noise and muzzle blast when using compensators.
- Do not exceed the recommended twist rate and barrel length specifications to maintain safe operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Ruger 22 Charger.
- Align the Carbon Fiber THM Tension Barrel with the receiver and ensure it fits securely.
- Tighten the barrel using the appropriate tools, ensuring it is fitted with 1/2x28 threads if using compensators.
- Verify that the barrel is properly aligned and securely attached before proceeding.

### 2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Always check the barrel for obstructions before firing.
- Maintain a firm grip on the firearm and be prepared for recoil.
- After use, clean the barrel according to the manufacturer's guidelines to maintain performance and safety.

## Disposal Instructions

- Dispose of the Carbon Fiber THM Tension Barrel in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for firearm

components.

## Contact Information for Further Support

For any inquiries or concerns regarding the Carbon Fiber THM Tension Barrel, please reach out to your retailer or manufacturer for assistance. They can provide information on product safety, warranty, and support services.

## Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your Carbon Fiber THM Tension Barrel. Always prioritize safety and remain informed about best practices for firearm use. Thank you for your attention to these important guidelines.
