

# Carbon Fiber THM Tension Barrel for 22 Charger, Threaded

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The Lightweight THM Tension Barrel sets the standard for what a lightweight barrel should be. It features a sleeve that is used to create tension on the barrel itself. This unique design eliminates issues typically found in smaller barrel profiles. The THM tension barrel consists of a special taper honed match barrel and chamber. This is the ultimate lightweight barrel.

This barrel can be set up with 1/2x28 threads and fitted with any of our available compensators.

## Attributes

- Name: [Carbon Fiber THM Tension Barrel for 22 Charger, Threaded](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231162

# Carbon Fiber THM Tension Barrel Safety Instructions

## Introduction

Thank you for choosing the Carbon Fiber THM Tension Barrel for your 22 Charger. This lightweight barrel is designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Do not modify the barrel or any of its components. Modifications can lead to unsafe conditions.
- Always follow local laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not use the barrel if it shows signs of damage, such as cracks or excessive wear.
- Only use ammunition that is compatible with the 22 Charger and the specifications of the barrel.
- Be aware of the potential for recoil and ensure a proper grip when firing.
- If you experience any malfunctions while using the barrel, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is completely unloaded.
- Remove the existing barrel from the 22 Charger according to the manufacturer's instructions.
- Align the Carbon Fiber THM Tension Barrel with the receiver of the firearm.
- Securely attach the barrel using the provided threading (1/2 x 28 TPI) and ensure it is properly tightened.
- Check that the barrel is aligned correctly and is securely fastened.

### 2. Usage Instructions:

- Always ensure the firearm is pointed in a safe direction before loading.
- Load the firearm with compatible ammunition.
- Maintain a firm grip on the firearm while firing.
- After use, clean the barrel and inspect it for any signs of wear or damage.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management authority for information on safe disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Carbon Fiber THM Tension Barrel, please consult the product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
