

# Classic, 22 LR with Gray Laminated Sporter Stock

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The Classic is the foundation of all our semi-auto rifles. Its sleek, clean look appeals to those looking for a more traditional look.

It has always been our goal to achieve bolt action accuracy from a semi-auto and this begins with the barrel. Our stainless steel barrels feature match bore and chamber tolerances. These dimensions are proprietary to Volquartsen and have evolved from over 25 years of testing. Digital gauging equipment ensures that each barrel meets our stringent criteria.

- Stainless steel CNC-machined receiver
- .920" stainless steel bull barrel threaded into receiver
- [TG2000](#) installed providing a crisp, clean trigger pull
- Integral Picatinny rail
- Stainless steel receiver with threaded in barrel
- Integral Picatinny rail

# Classic, 22 LR Safety Instruction Guide

## Introduction

Thank you for choosing the Classic, 22 LR rifle. This guide provides essential safety instructions and guidelines to ensure safe handling and use of your firearm. It is important to read and understand this manual before using the product to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children.
- Use only the recommended ammunition type and caliber.
- Ensure the firearm is in good working condition before use.
- Regularly inspect the firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Before using the Classic, 22 LR, familiarize yourself with its features and operation.
- Ensure that the safety mechanism is engaged when the firearm is not in use.
- Do not modify the firearm in any way; alterations can lead to unsafe conditions.
- Use proper shooting techniques, including a stable shooting position.
- Wear appropriate eye and ear protection when shooting.
- Avoid distractions while handling the firearm.
- Never shoot at hard surfaces or water, as ricochets may occur.
- Be cautious of environmental conditions (e.g., wind, rain) that may affect shooting safety.

## Instructions for Installation and Usage

### Installation

- Ensure the firearm is unloaded and the safety is engaged before installation.
- If necessary, attach the integral Picatinny rail securely to the receiver.
- Follow the manufacturer's instructions for any additional accessories being installed.

### Usage

#### 1. Loading the Firearm:

- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Load the rounds into the magazine as per the instructions provided with the ammunition.
- Close the action and ensure the firearm is ready for use.

#### 2. Firing the Firearm:

- Assume a proper shooting stance.
- Aim at the target and ensure the area is clear.
- Disengage the safety mechanism.
- Squeeze the trigger gently to fire.

### **3. After Use:**

- Immediately engage the safety mechanism after firing.
- Unload the firearm by removing the magazine and visually inspecting the chamber.
- Clean the firearm according to the manufacturer's cleaning instructions to maintain its performance.

## **Disposal Instructions**

- Dispose of any unused ammunition according to local regulations.
- When disposing of the firearm, ensure it is rendered inoperable.
- Contact local authorities or licensed dealers for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, product support, or to report unsafe products, please refer to the relevant EU contact point or local authorities.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Classic, 22 LR rifle. Always prioritize safety and responsible firearm use.
